

Doreen,
I am so glad
that we are friends.
I hope that we always
will be (I know we will!).
Remember "no challenge" with
Mrs. Ascolese and 2nd period
witherrick and Patrick. Always remember date
that never happened (It never will because I'm
too ugly.) Also, always remember the night out with
the "Prom-rejects"!!! We have to keep in touch. Love ya
Don!!!!
P.S. Maybe one day we'll have
that double-date!!!

Your friend always,

Love,
Schuyler

The original "Raiders" who settled in the area now known as Scotch Plains-Fanwood were Indians.

In their daily activities, hunting, trading, and farming, they displayed qualities of unity, bravery, and strength.

Occasionally the Raider went "on the warpath" to defend what was his.

In the early days of World War II, the high school adopted the Indian Raider as its official symbol. The

Raider's characteristics are those which the school strives

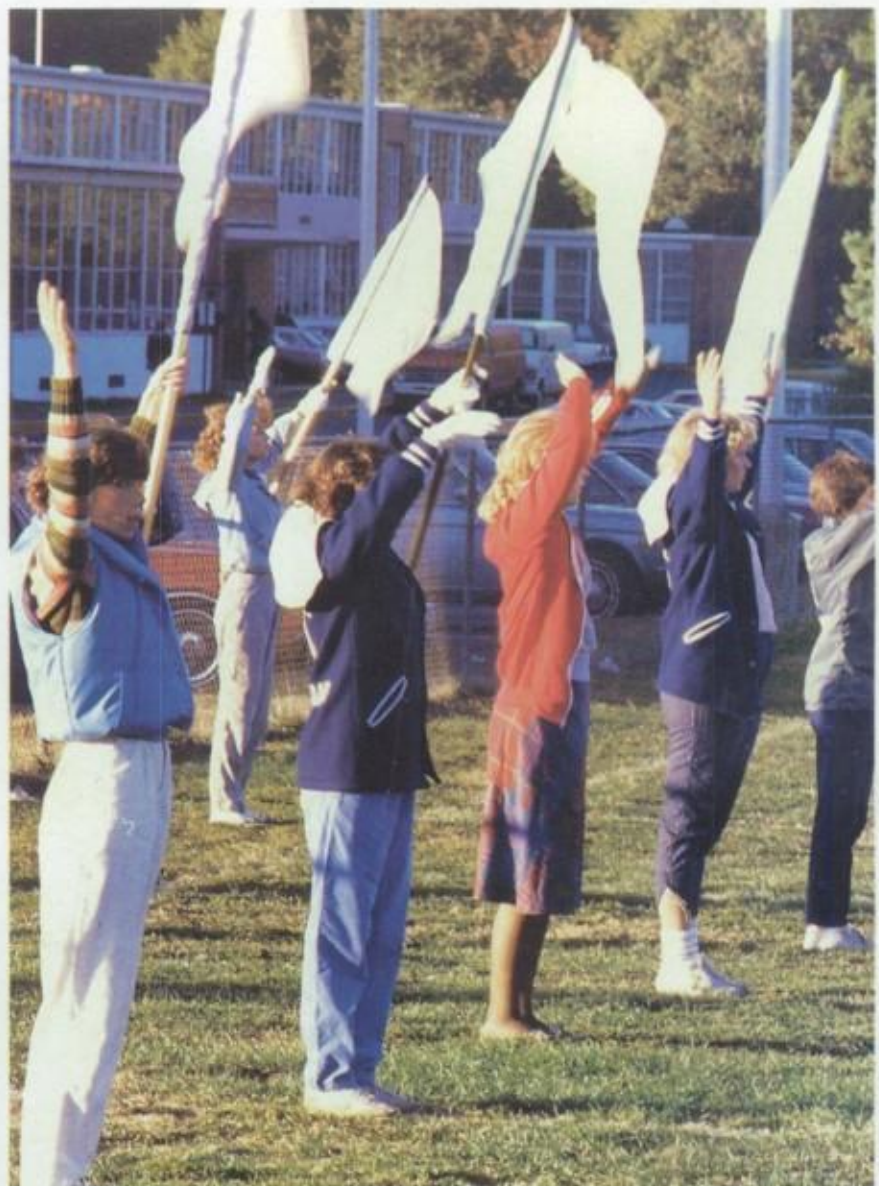

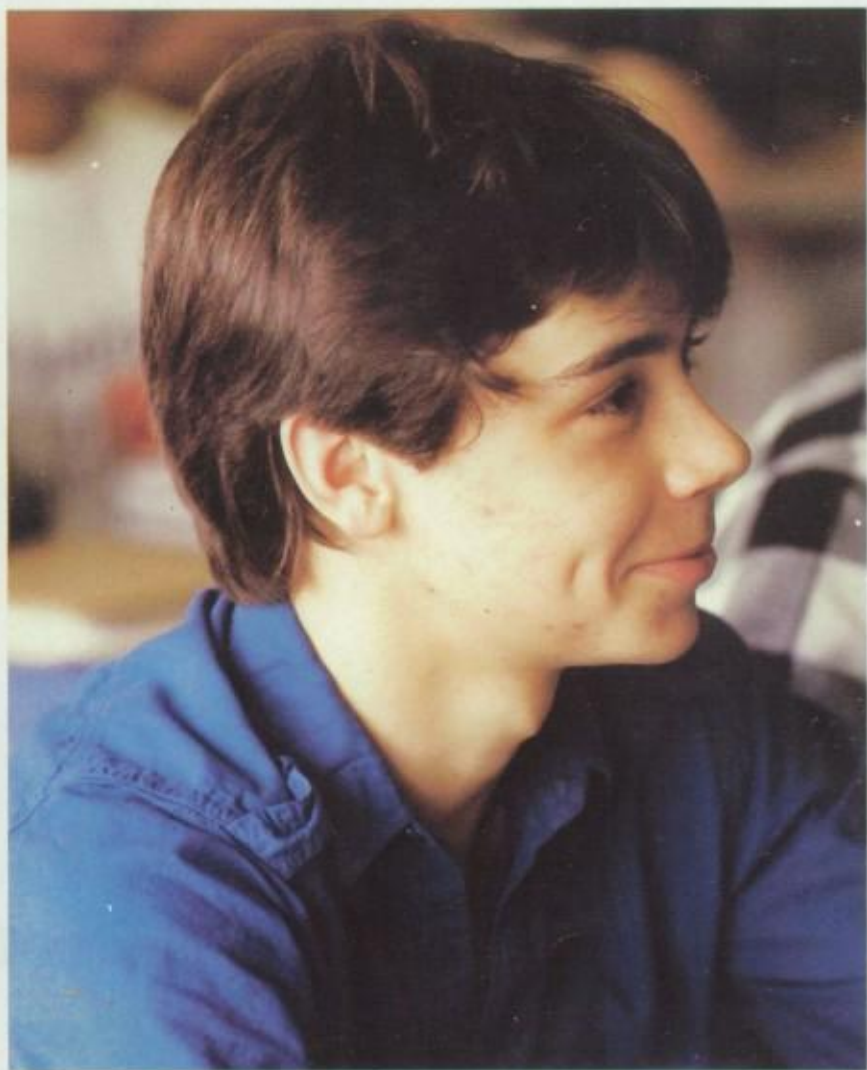

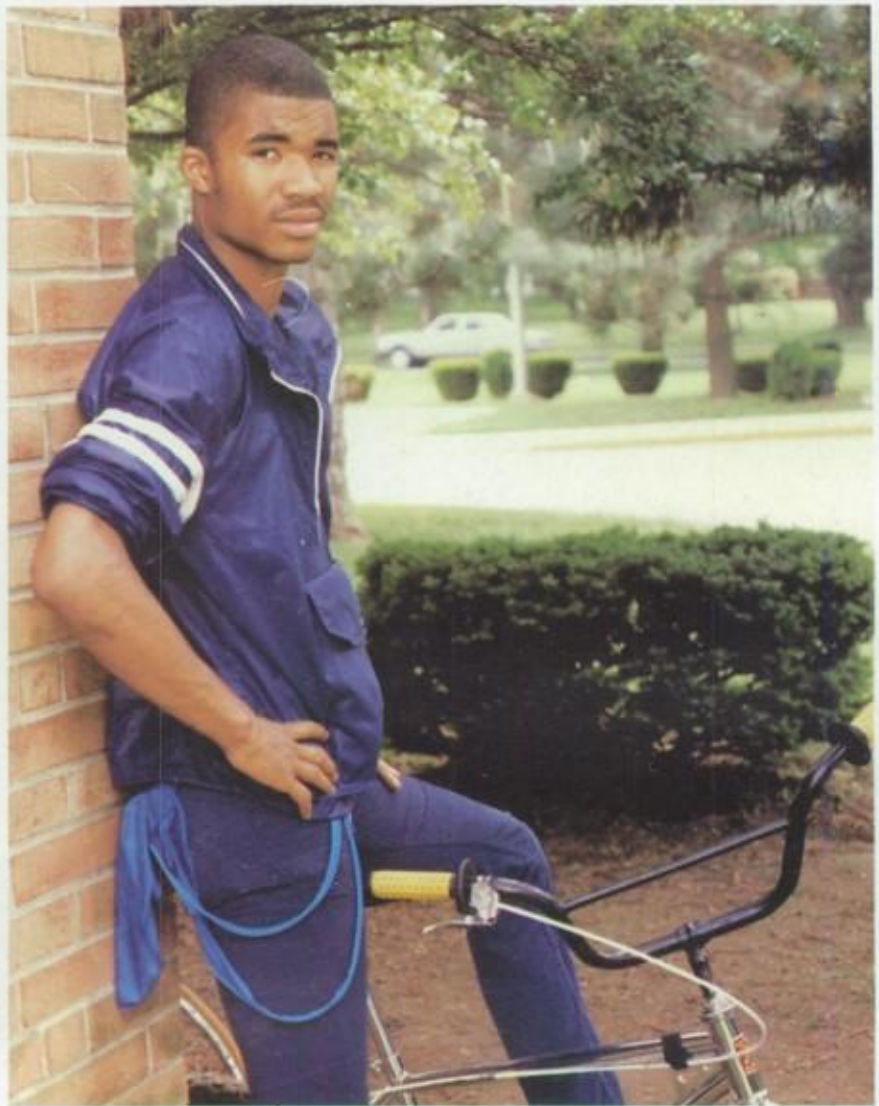

to follow. For over five decades this symbol has

represented the school and its students.

Today we carry on this legacy . . .

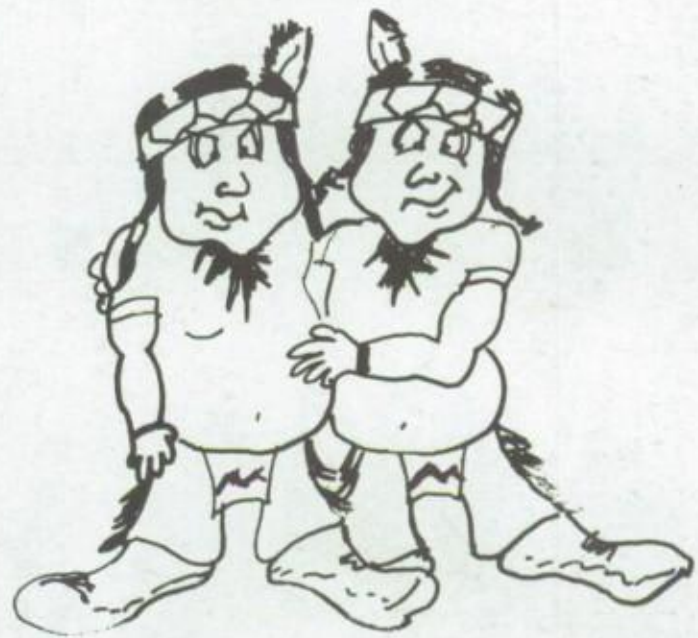

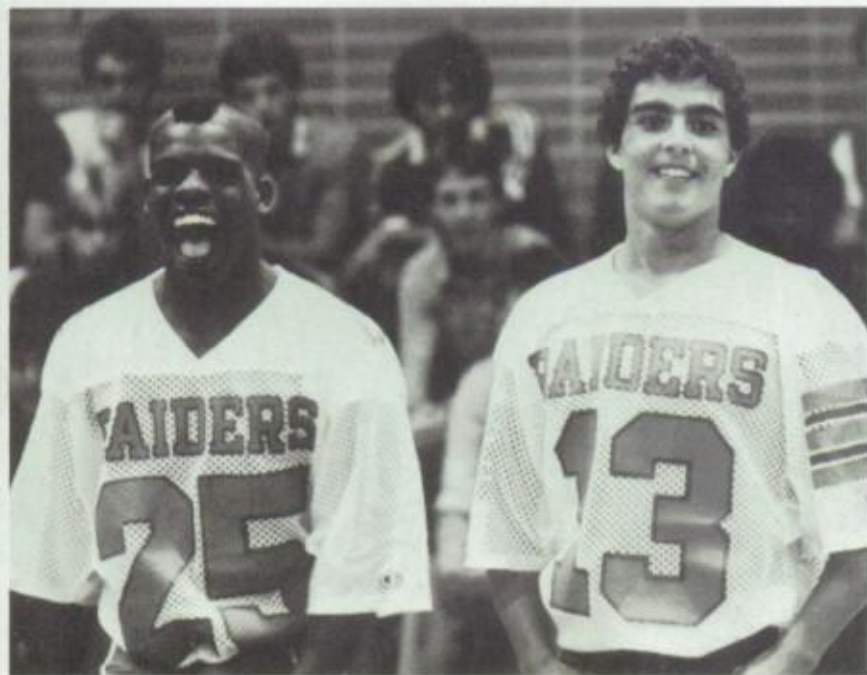

WE ARE THE RAIDERS OF '85!

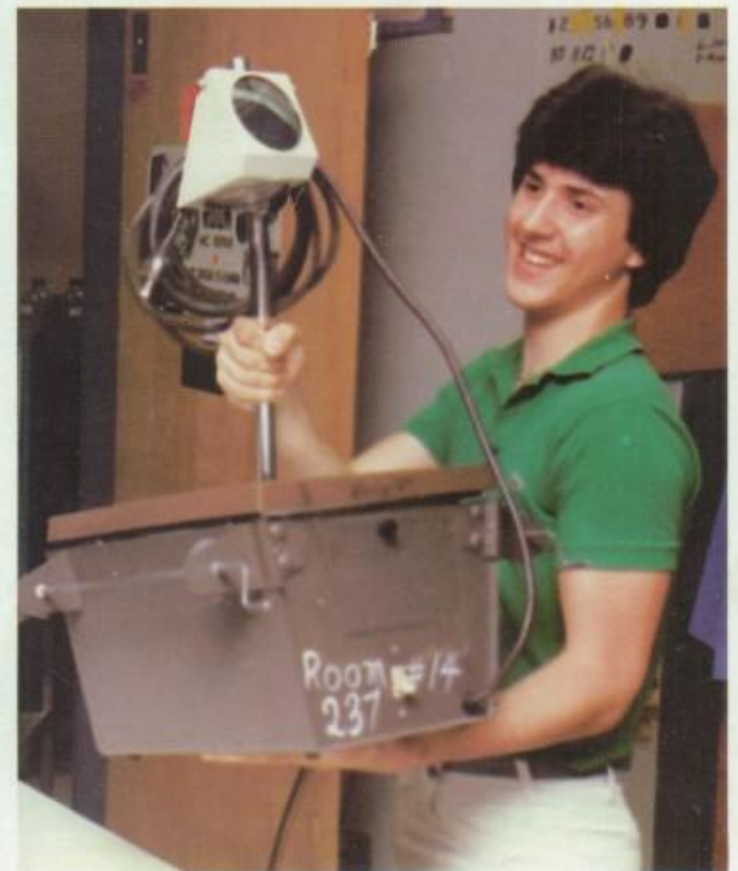

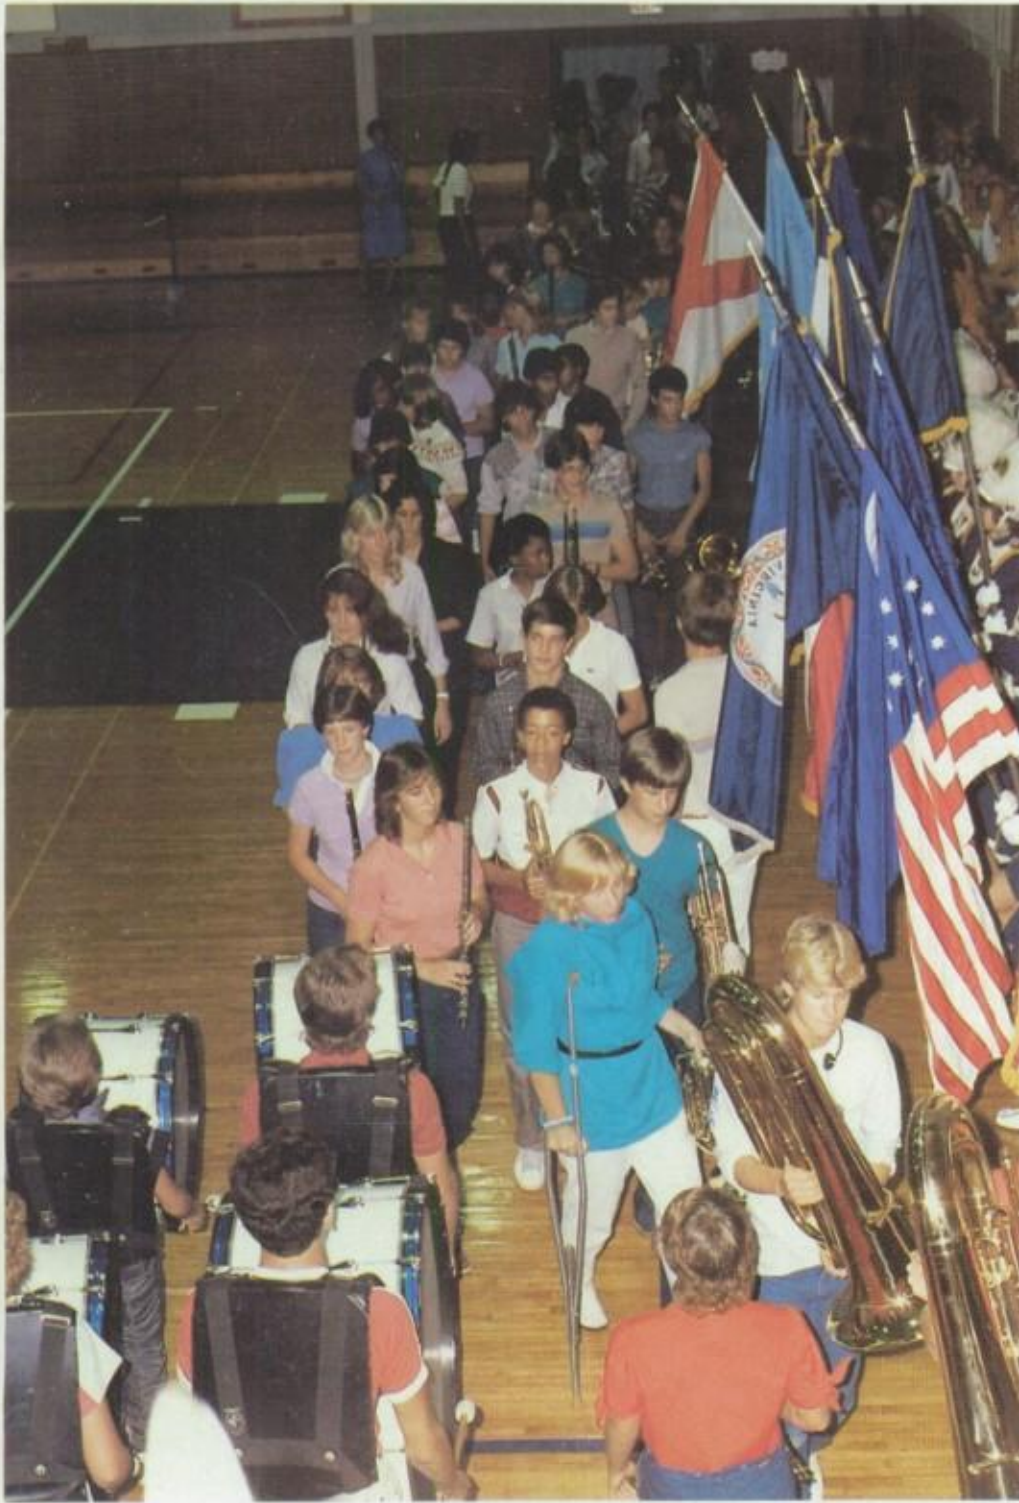

WE ARE FRIENDLY . . .

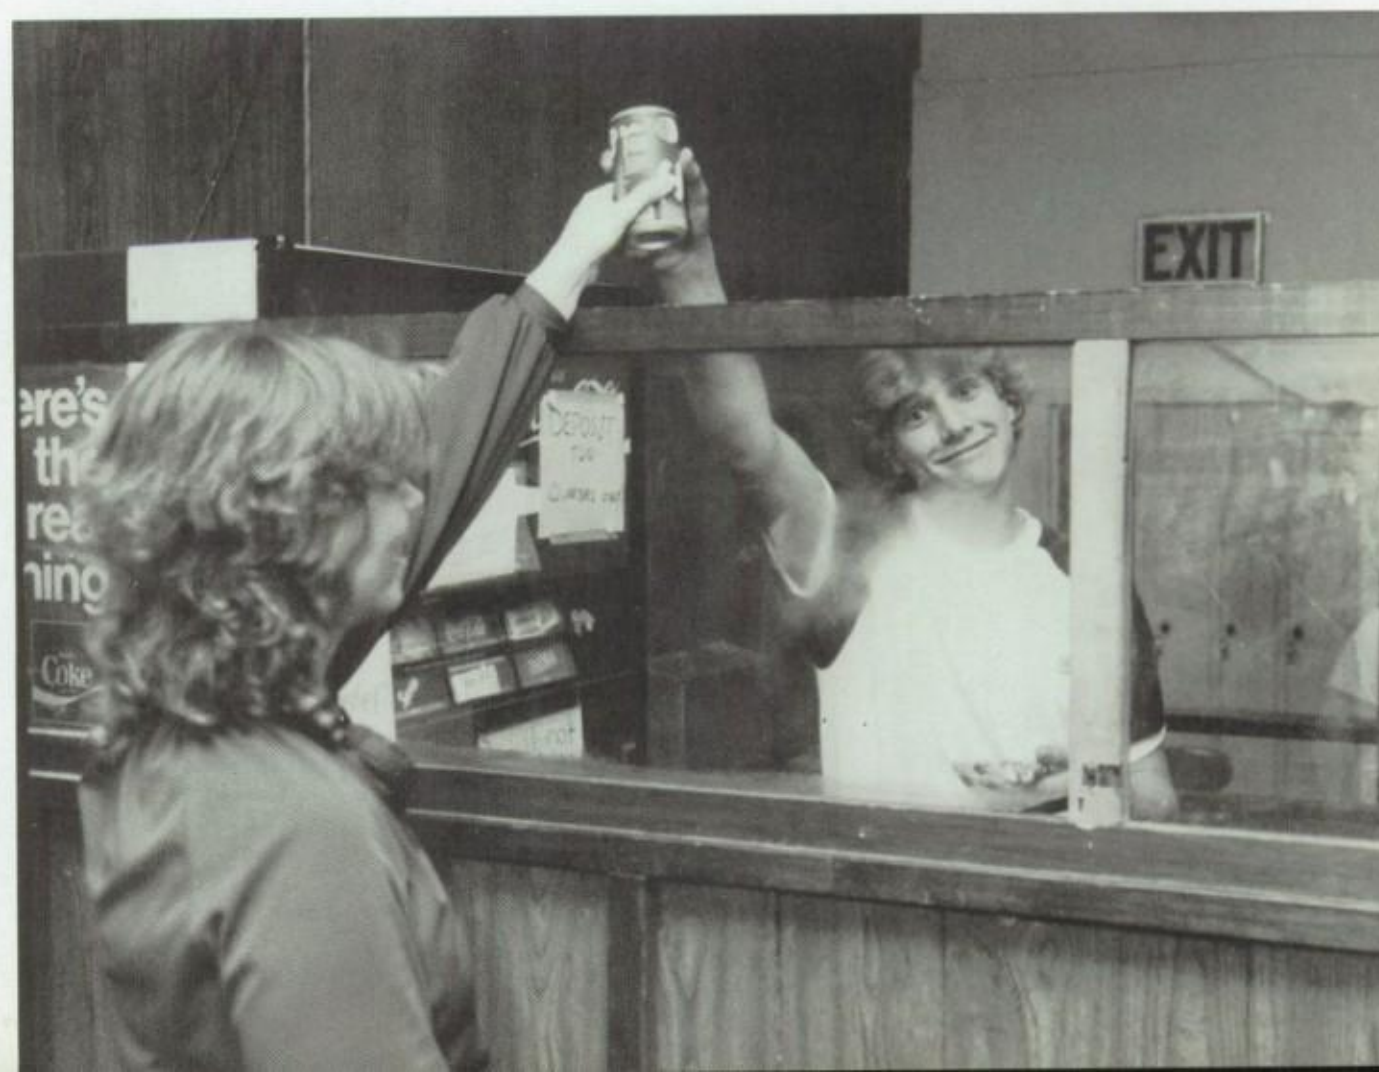

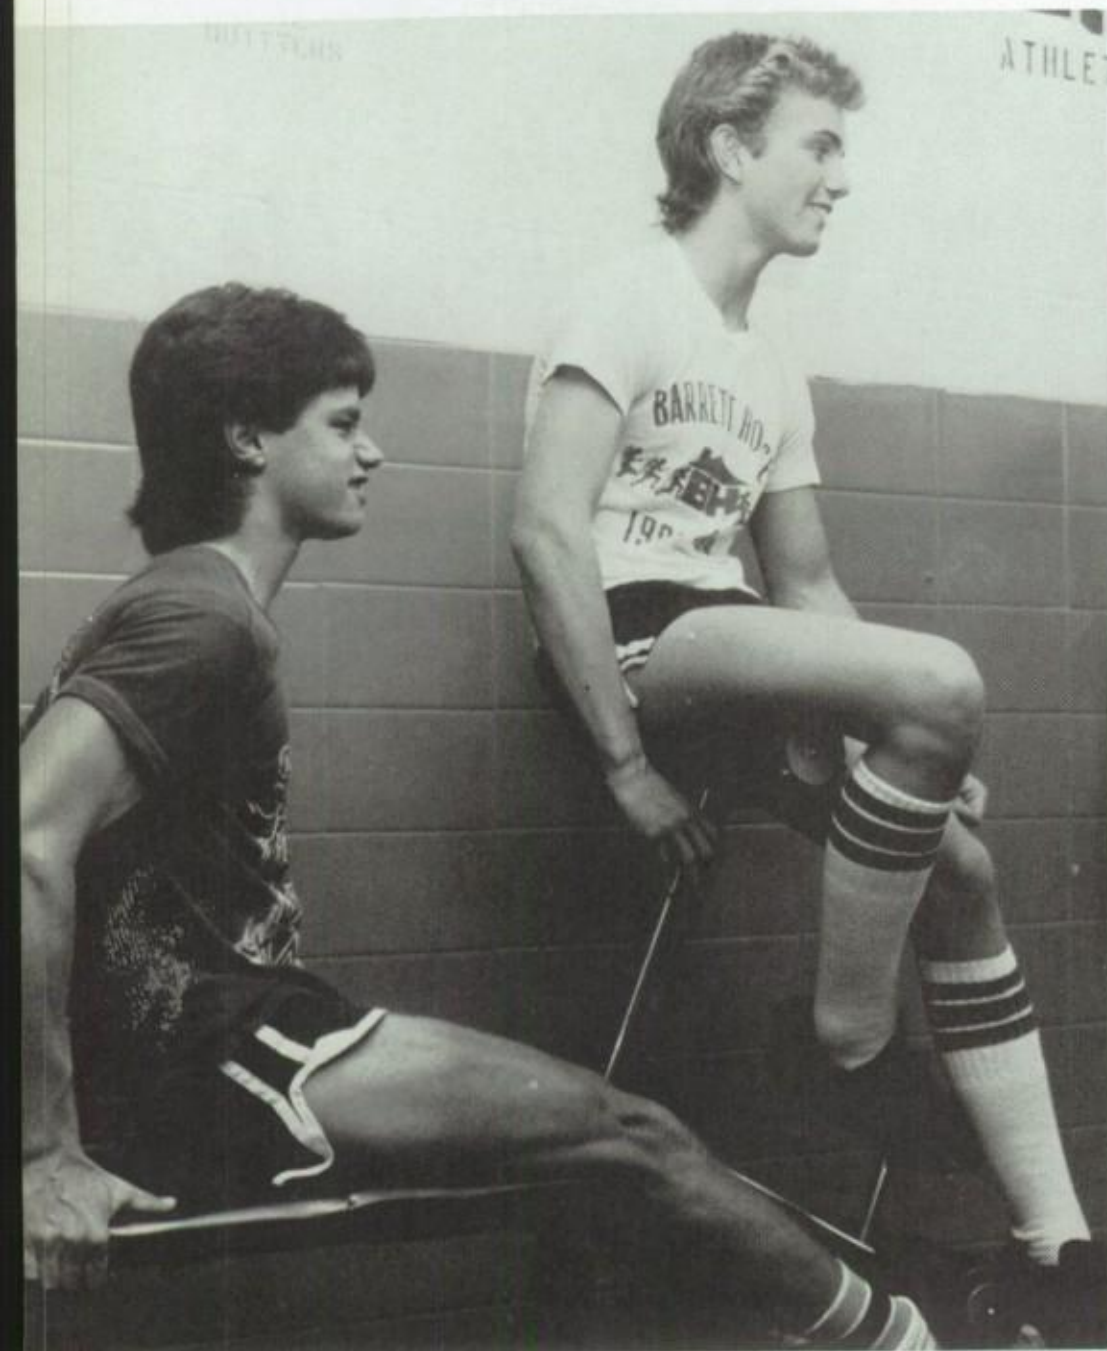

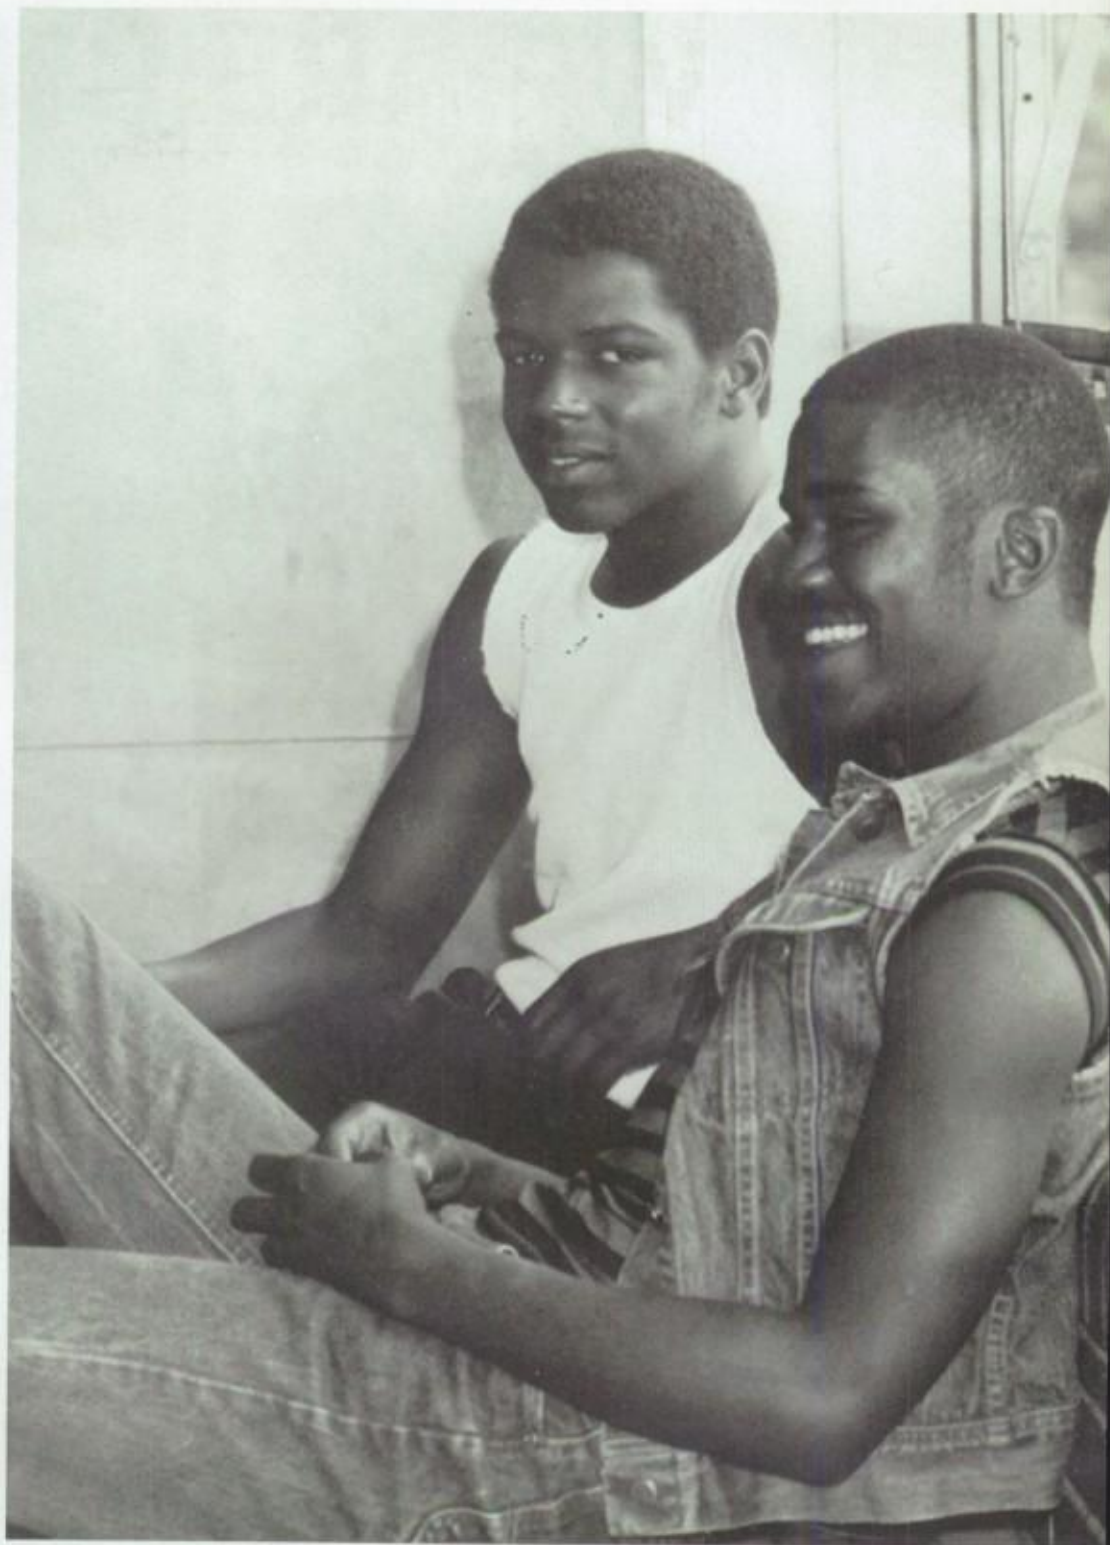

WE ARE SPIRITED . . .

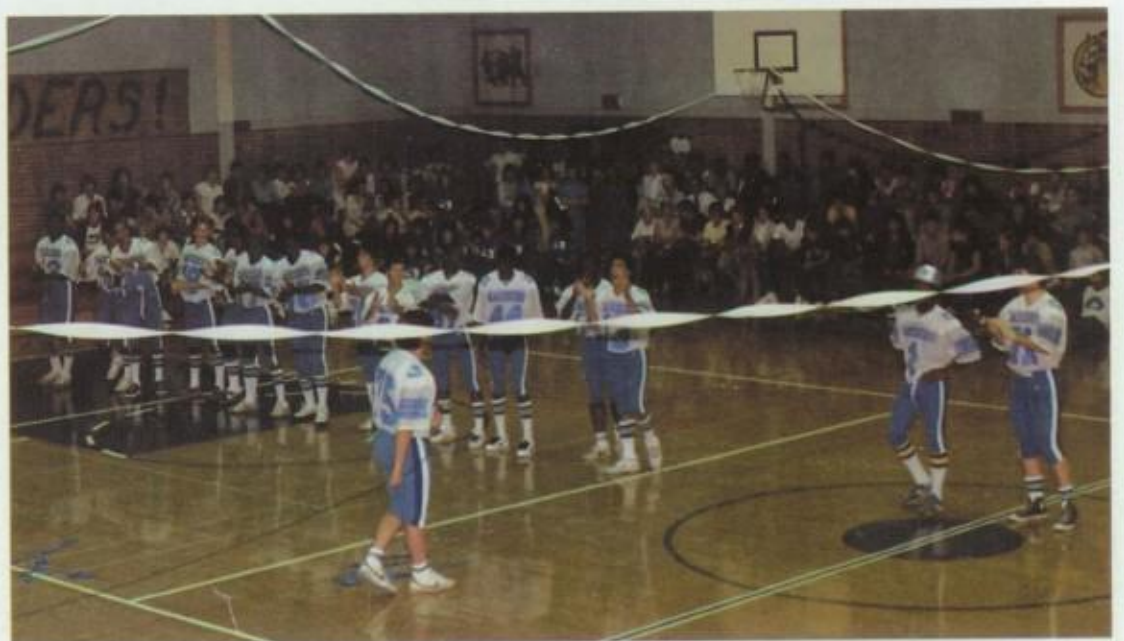

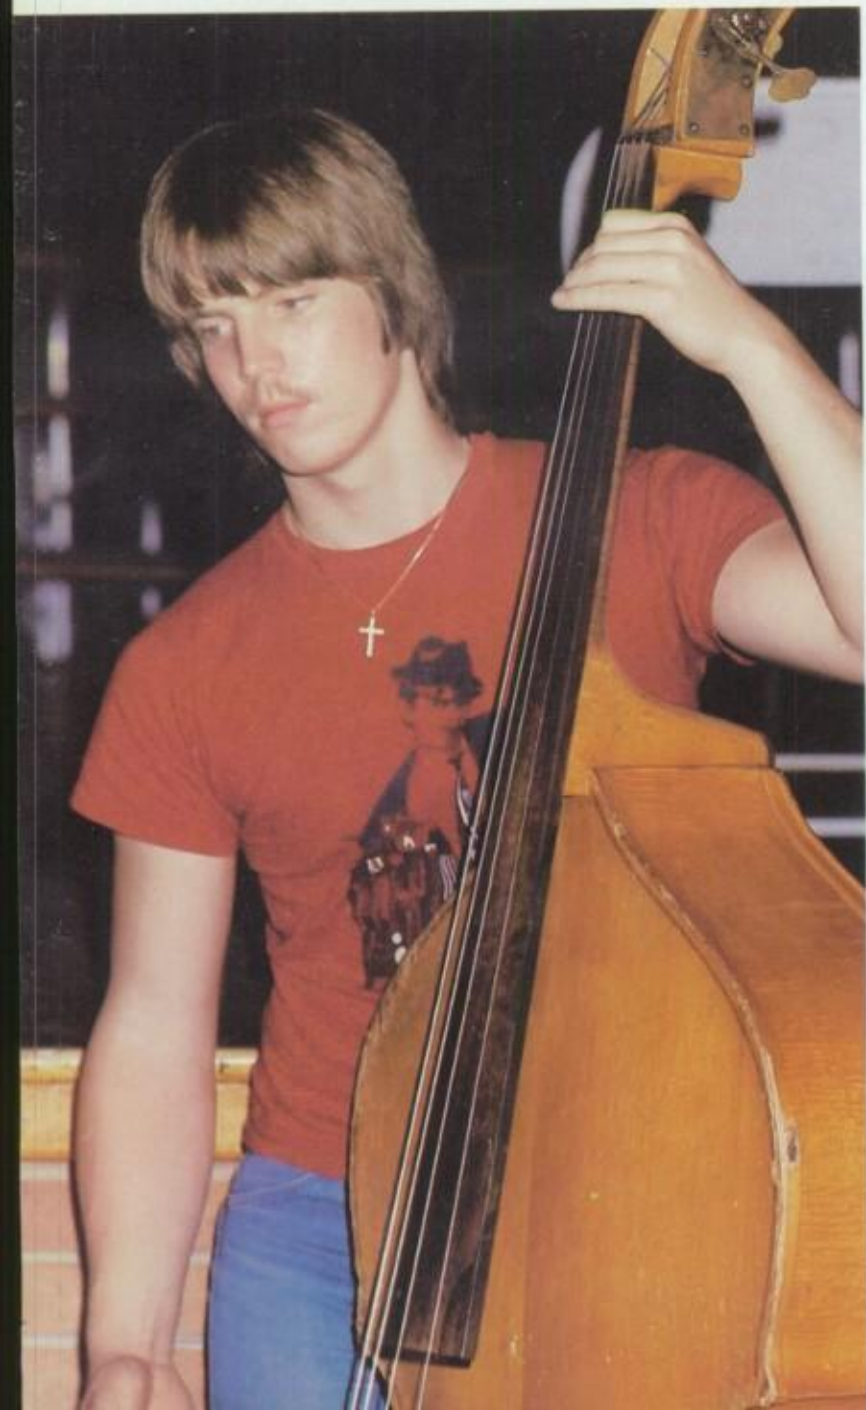

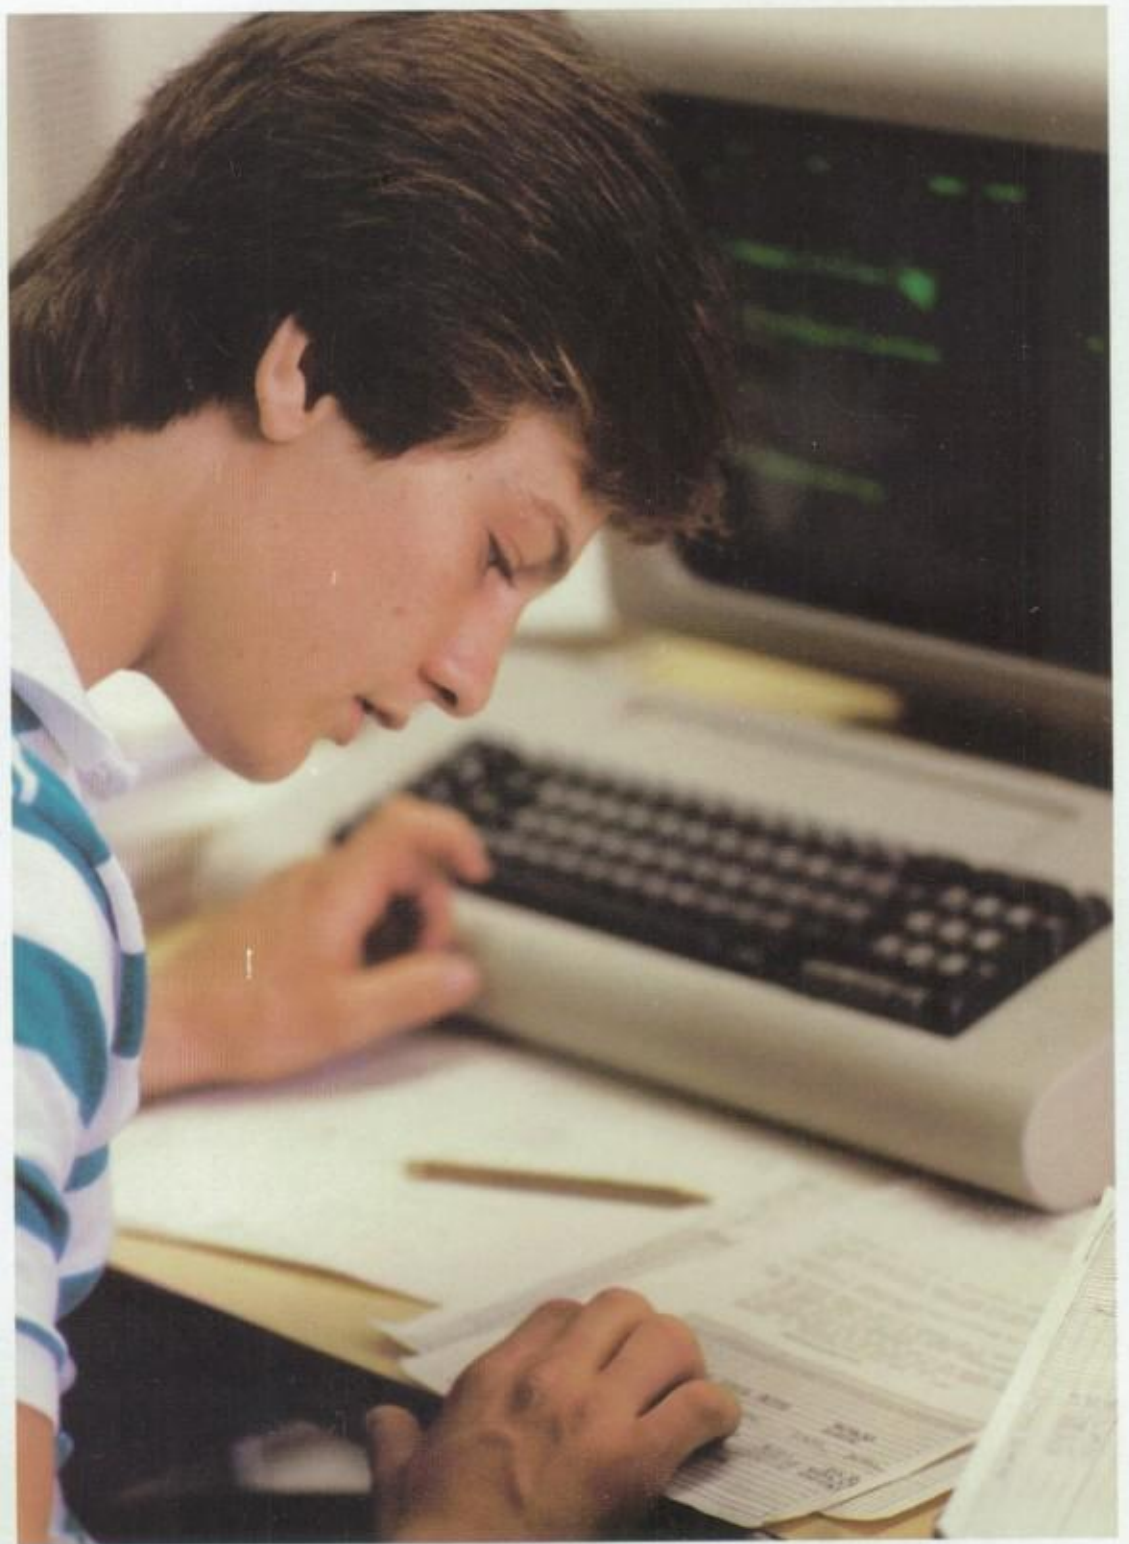

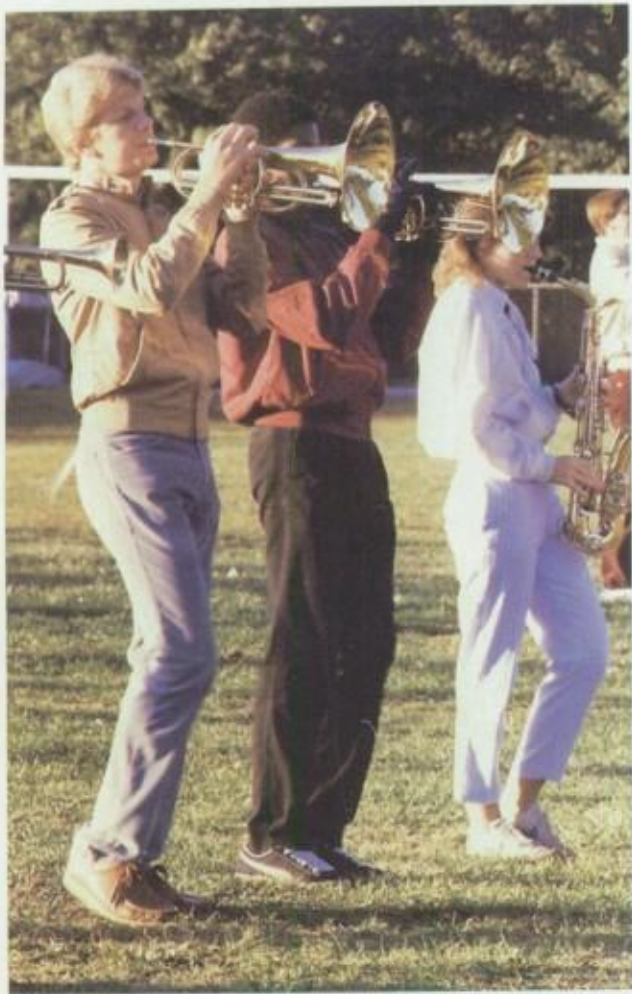

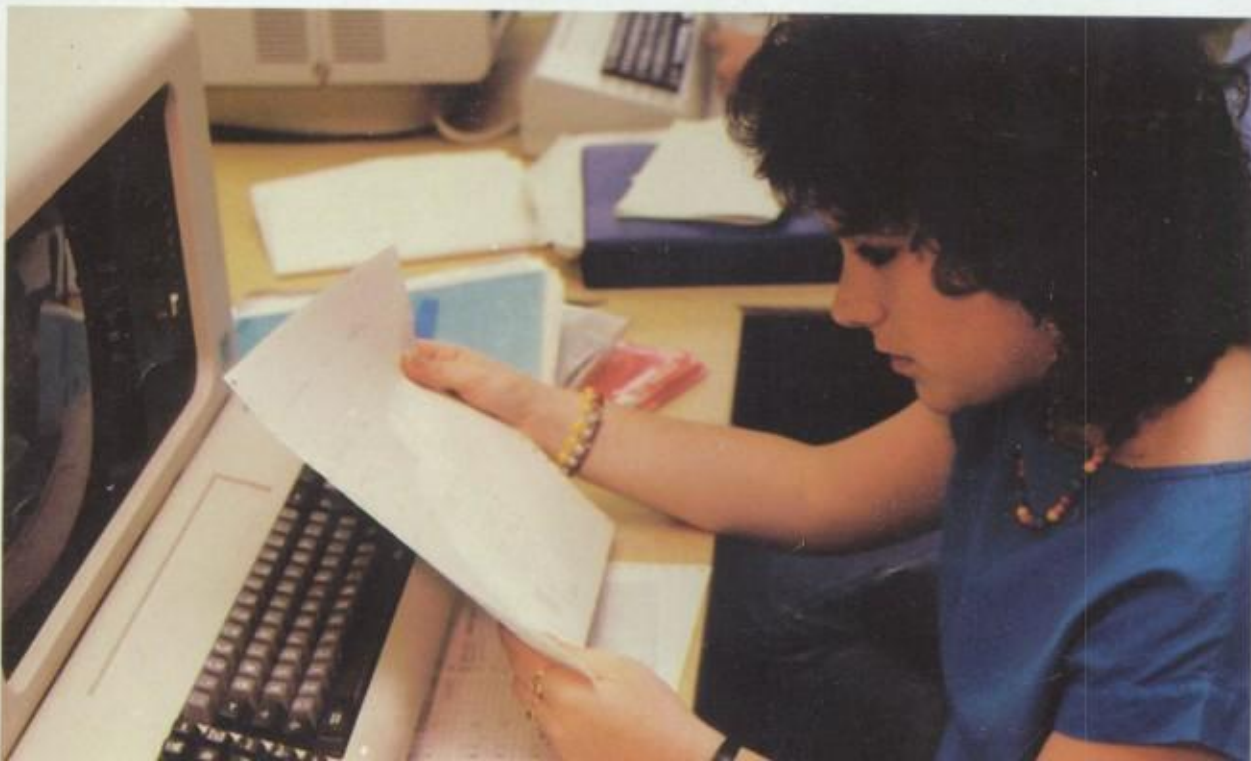

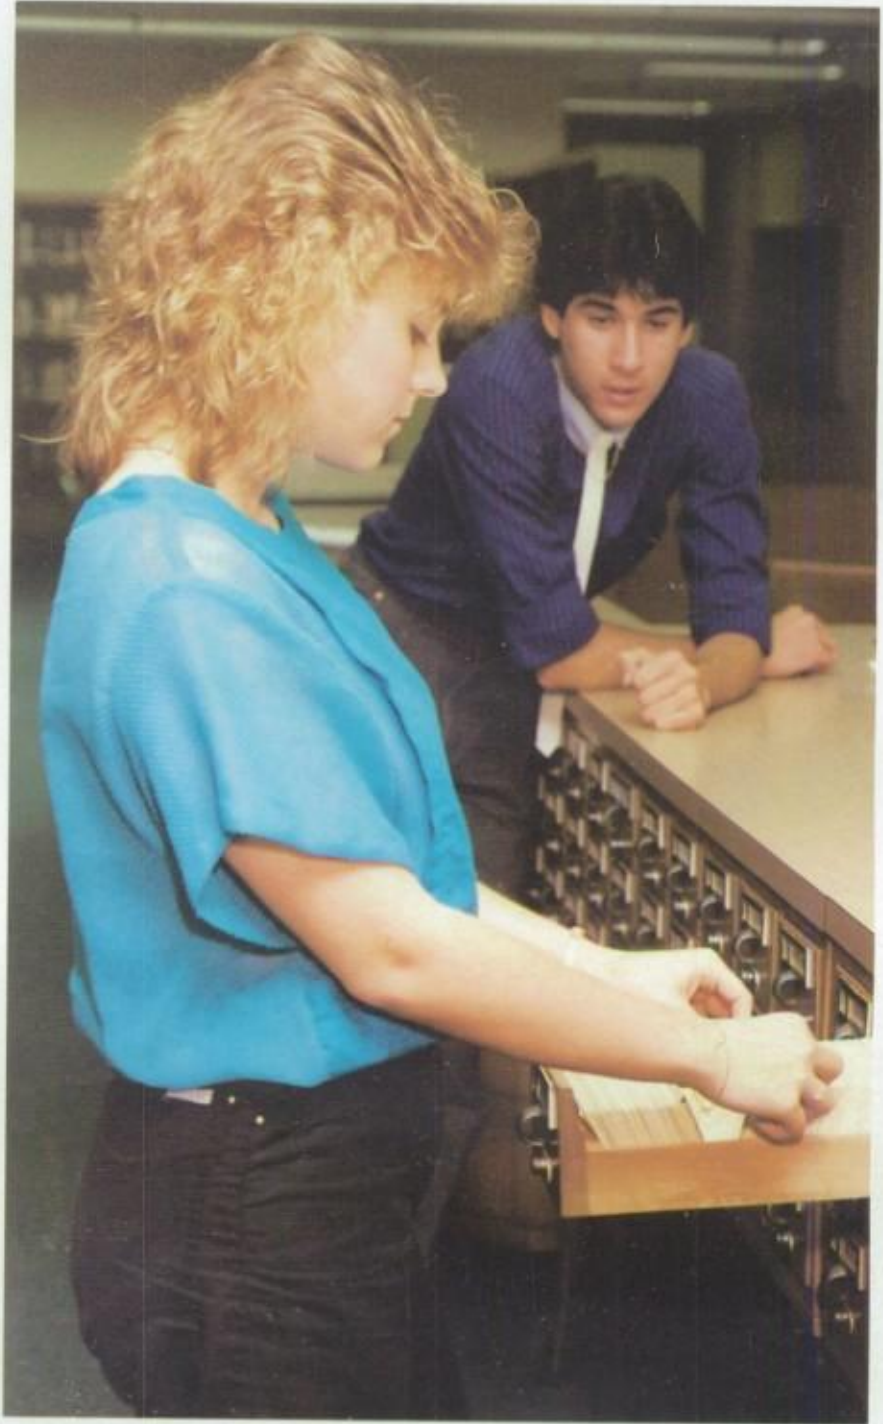

WE ARE STRONG . . .

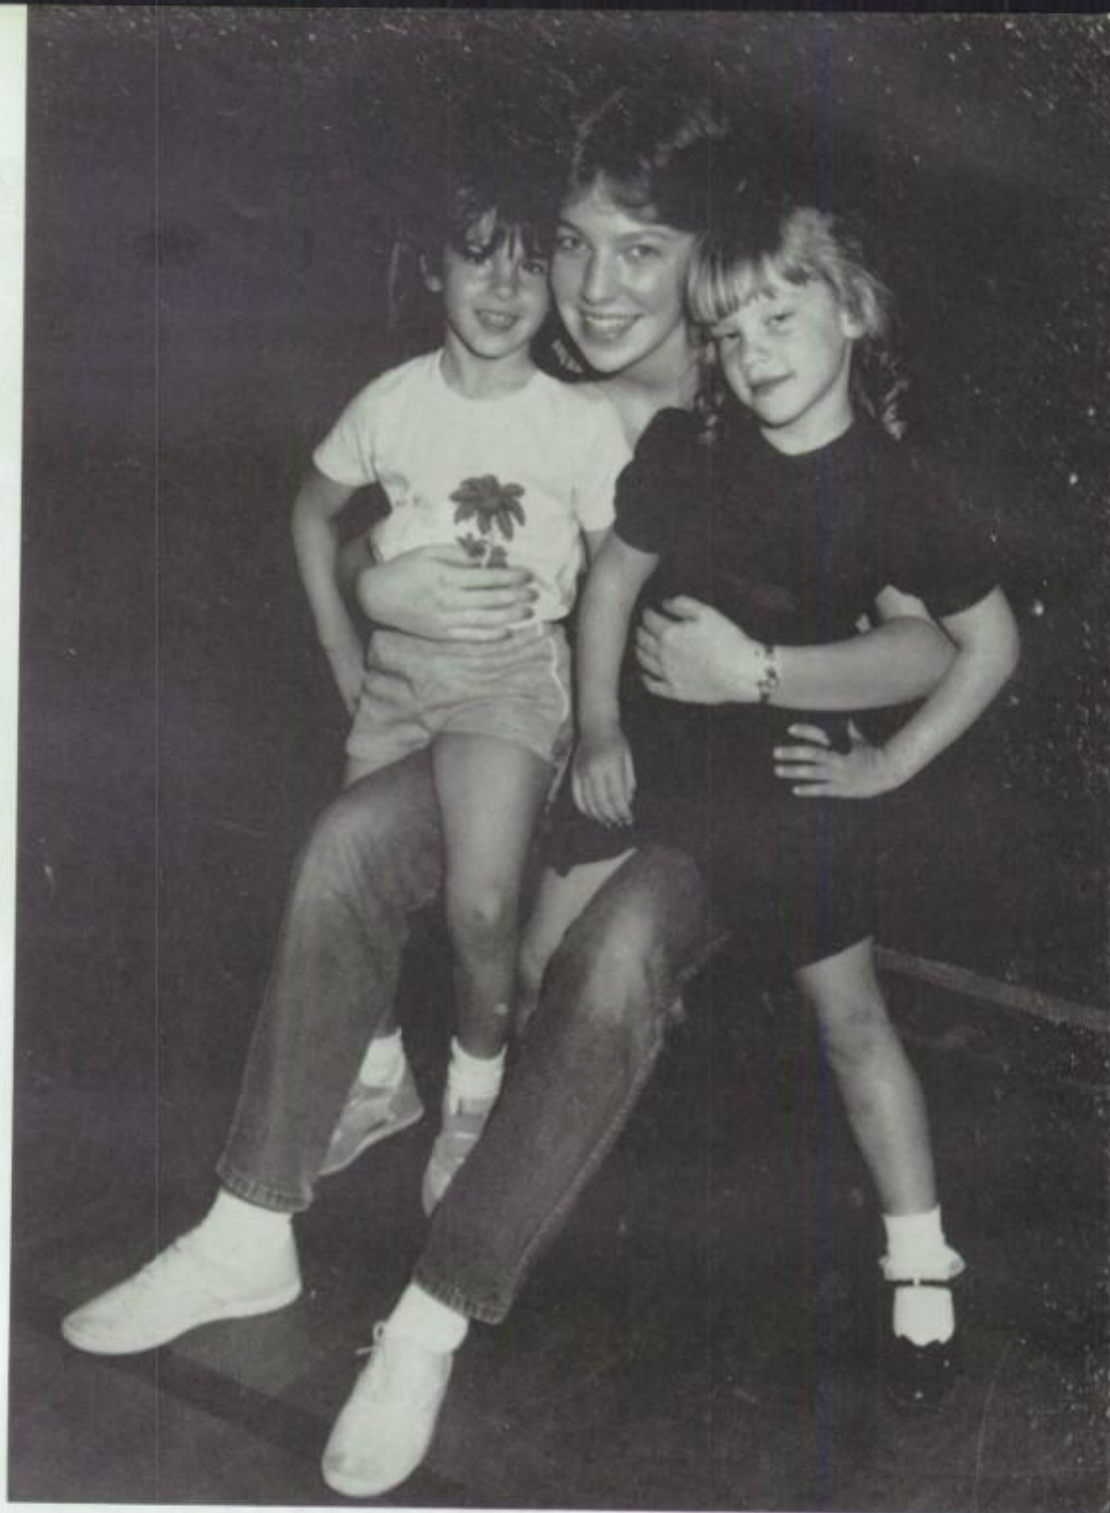

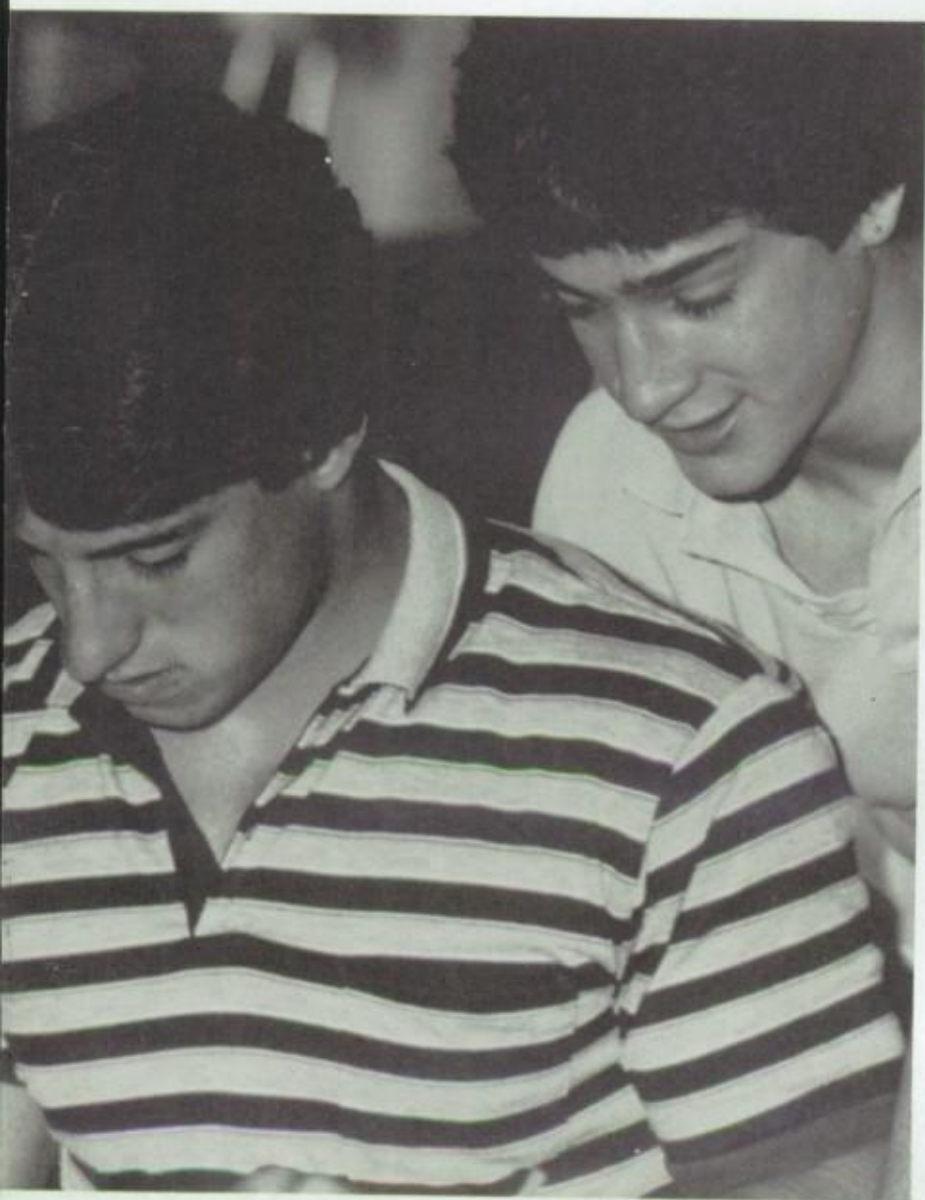

WE ARE ACHIEVING . . .

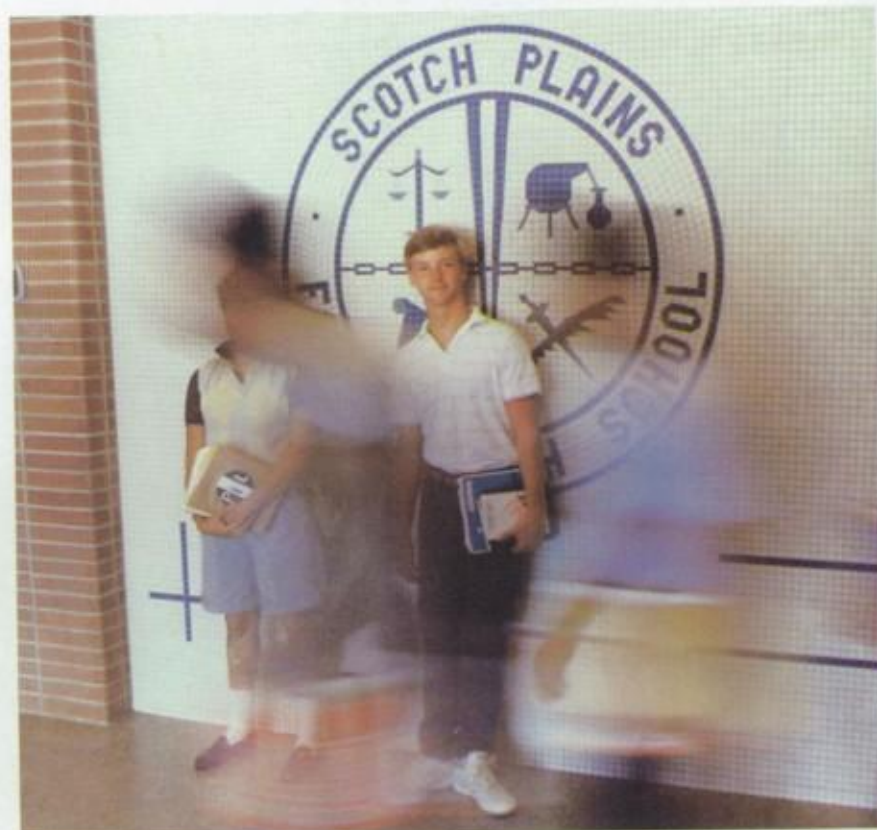

WE ARE UNITED . . .

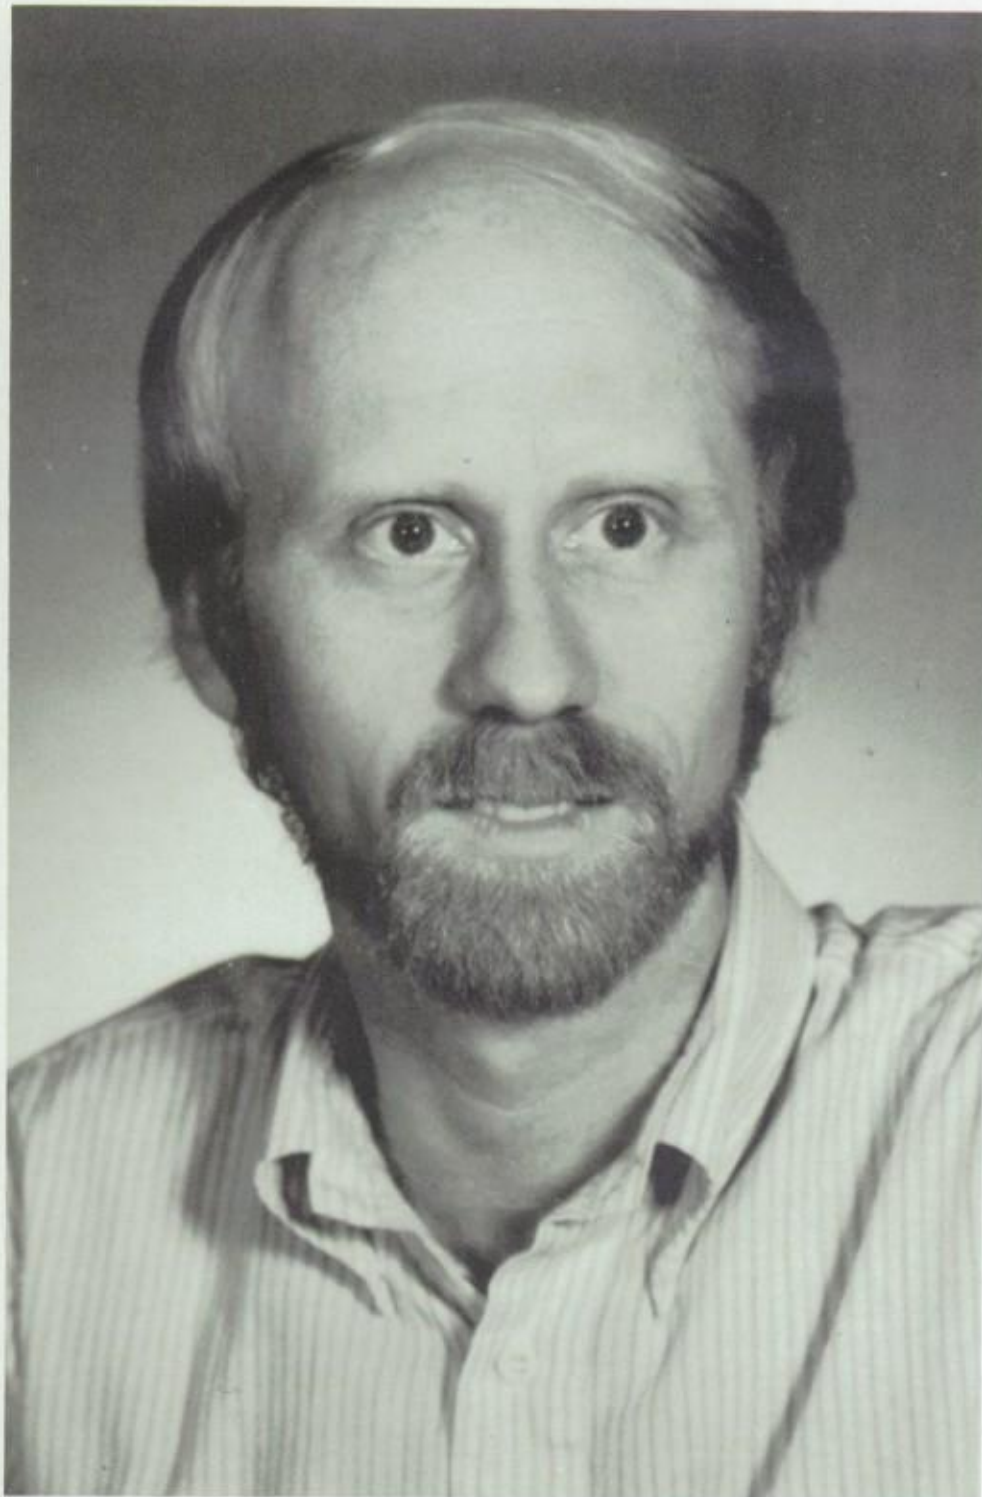

WE ARE ON THE WARPATH!

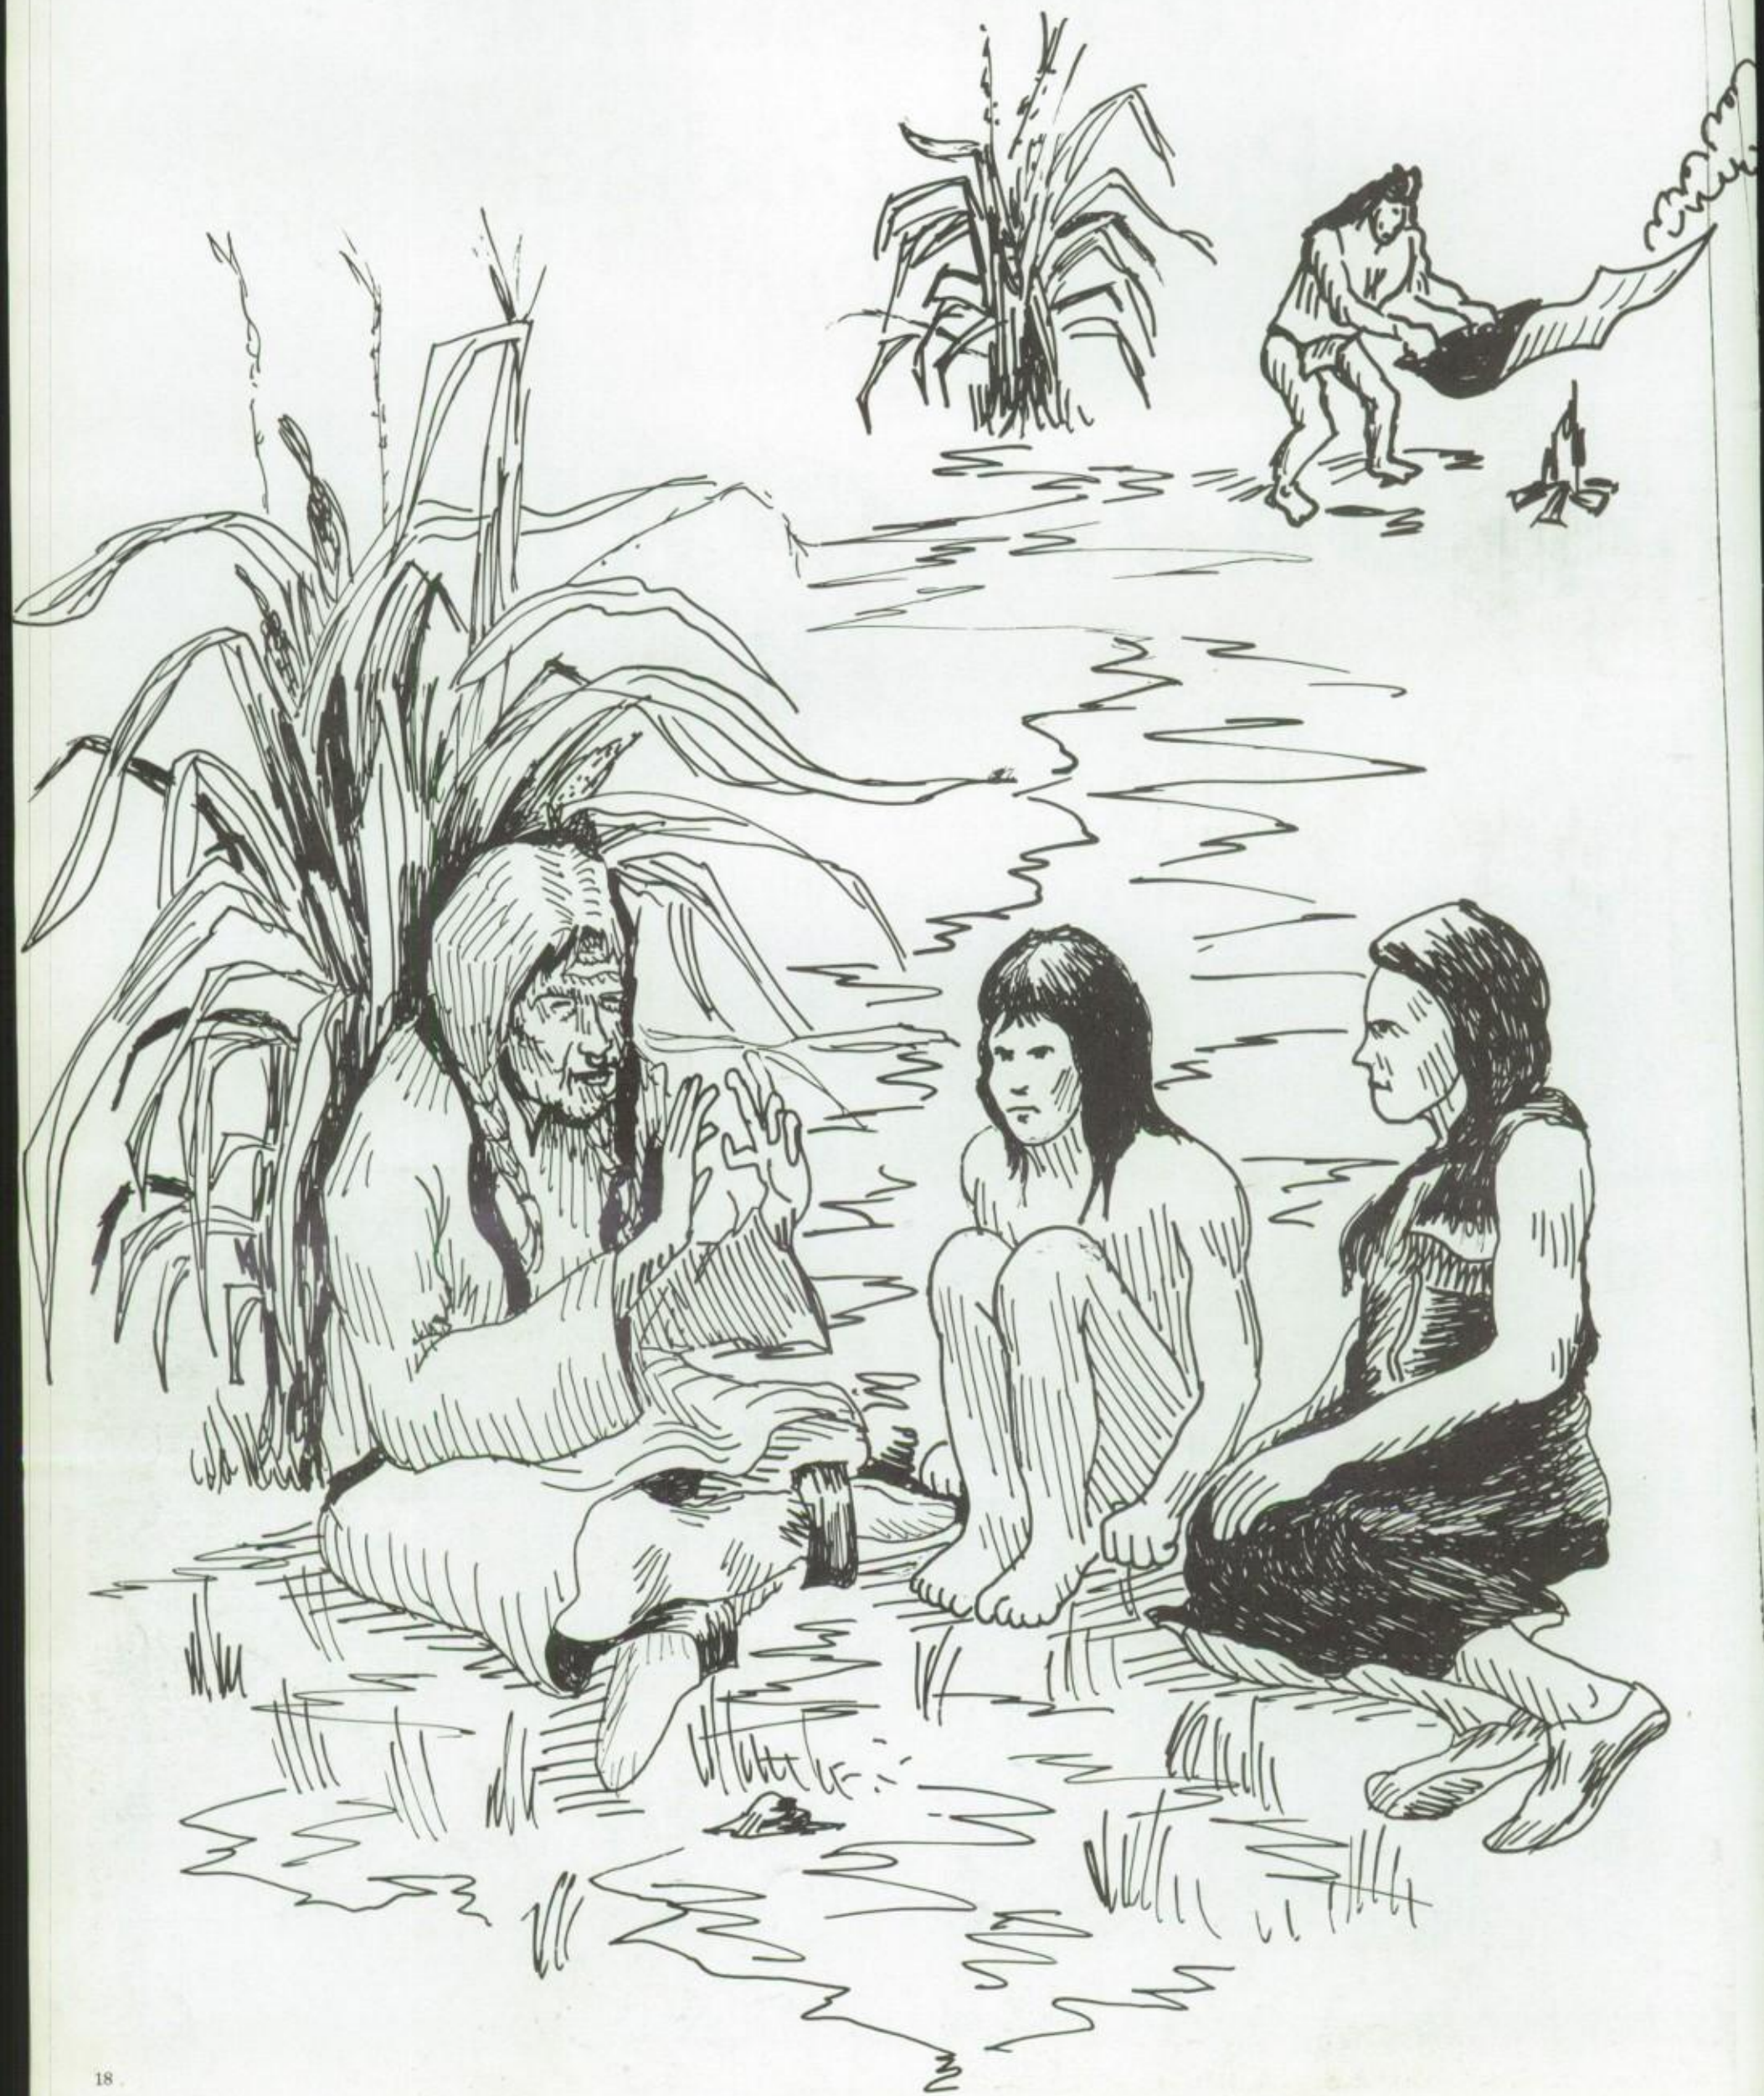

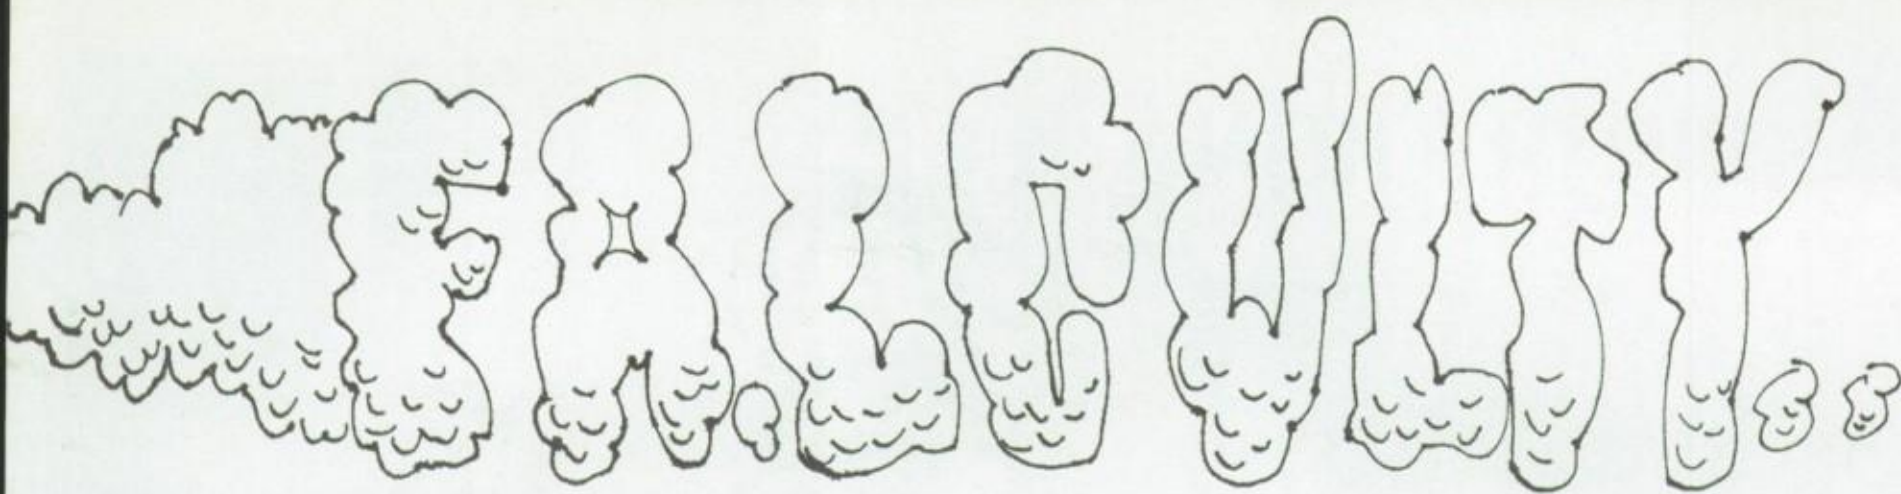

**We the Seniors
Proudly Dedicate
This Book
to
DAVID GOUDY**

We, the Senior Class of Scotch Plains — Fanwood High School proudly dedicate this book to you, Mr. David Goudy, with appreciation for your contributions to the students of our school.

In your roles as teacher, S.G.A. Advisor, and personal advisor to many, you have shown wisdom, humor, warmth, patience, and commitment. We appreciate these gifts you have so willingly shared with us throughout our high school years, and we thank you for them in this dedication.

At last the time and day has come for us to move ahead in life. We have made and reached our goal. It is now the time for us to think about what our career is going to be like and take more and bigger steps into life. There are things in life that you would like to get through with in a hurry but it takes time and effort. Success is just a word; you can make your dreams come true; just have faith in yourself and you can really do it. To the rest of S.P.F.H.S. and especially the class of 86, I wish everyone good luck! Plans to attend college and major in Commercial Art; if not, plans to open own Contracting Business or Tractor Trailer Business. Good luck to Don Joyce, Laura Kropp, Darlene May, Ann Warner, and Beth Murphy in Graduation.

JACQUELINE GUIMONT

"I still don't know what I was waiting for
Every time I thought I'd got it made
It seemed the taste was not so sweet
So I turned myself to face me
But I've never caught a glimpse
Of how the others must see the taker
I'm much too fast to take that test.
Ch-ch-changes —
Don't tell them to grow up and out of it."

FOOTBALLS

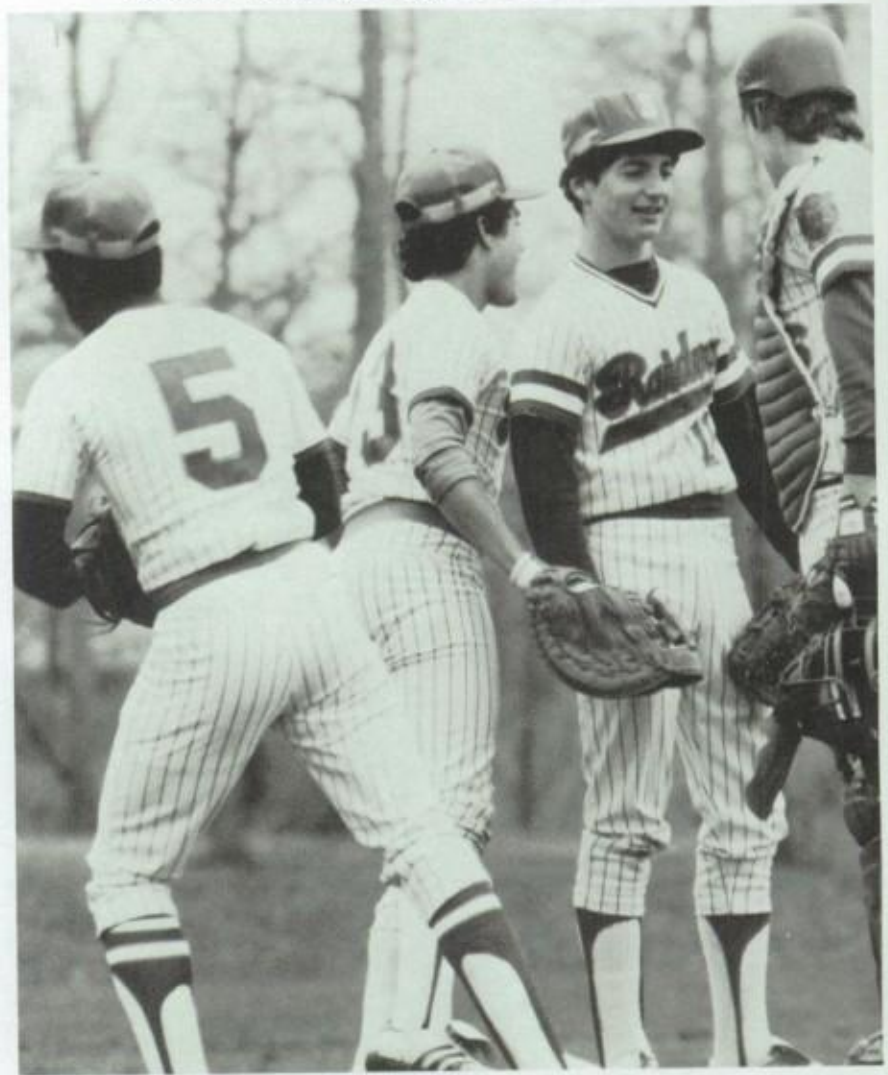

SPRING '84

Below: R. Russo gets support from his team mates.

Baseball

The 1984 Varsity Baseball team had the first losing record at S.P.F.H.S. in 22 years. Their 11-12 record can be largely attributed to injuries and illnesses, which knocked out four starting pitchers and forced the use of a number of underclassmen. While the season was disappointing, it held a ring of hope for the future, considering the promising young talent displayed by Ralph Russo, Ken Hyde, and Dino DiFrancesco.

The 1985 team hoped to compensate for the graduation of tri-captains Bobby Brown, Chris Brannon, and Jeff Rutledge with seniors Dale Cox (.366) and Tim Nielson (.343, 25 rbi's). Classmates Mike Challiet (.279) and Jaime Fowler (.261) will also be expected to contribute.

Golf

The 1984 Golf Team led by Coach Louisa M. Connell, accomplished an amazing 14-0 record in regular season matches. It was a season which also saw them finish second in the Union County Tournament and third in the State Districts. M.V.P. Brian Crawford led a team which, minus graduate Jay Bancroft, was back in its entirety in 1985. Assisting Crawford as leaders were Craig Cummings, Chuck Young, Charlie and Wayne Bresky, and Frank Neuberger.

Softball

The 1984 Varsity Softball Team, though decimated by injury and achieving a disappointing 5-11-1 record, managed to stay competitive throughout the season. The team was young and spirited, and showed a bright future for the '85 and '86 seasons. The many talented freshmen received leadership from the older players such as team MVP Jeanne Cerami. Junior Kelly Lies received All County recognition at shortstop. The battery of pitchers Leigh Dunn to catcher Carin Yeager showed promise for the future. Another team standout was sophomore Karin Wirth, who should also add to the glory of the Raiders Softball Team.

Boys' Tennis

Though inexperienced, the 1984 Boys' Tennis Team turned in an impressive 10-3 season which saw them qualify for the State Tournament and finish fifth in the Union County Tournament.

Matching the team's record were Most Improved Player Tim Terista at First Singles, Most Valuable Player Raimond Baumans, and First Doubles Team Nick Nachbur and David Blitzer. Third Singles Performer Bill Baker was 9-4, while the combination of Matt Starr and Dennis Gormley contributed at Second Doubles. Each of these players blazed a trail to the quarterfinals of the county tournament, and each returned for 1985.

Coach George Esposito was looking forward to '85 for many reasons. Availability of Green Forest Practice Facilities, increased interest in the team which led to the formation of a J.V. squad, and the victorious experience of 1984 spelled out the possibility of a similarly successful season.

Volleyball

With a sparkling 15-3 record, the 1984 Volleyball Team proved to be among the most successful at S.P.F.H.S.

Led by graduates Patty Lindsay and first team All-County performers Donna McGann and Tammy Calavano, the team was ranked sixth in the state by year's end.

Included among the list of outstanding credentials were two scalpings of Westfield and a wardance on fifth-ranked Elizabeth. The Raiders were quarterfinalists in the Inter-county Tournament and took fourth place in the grueling Union County Tournament.

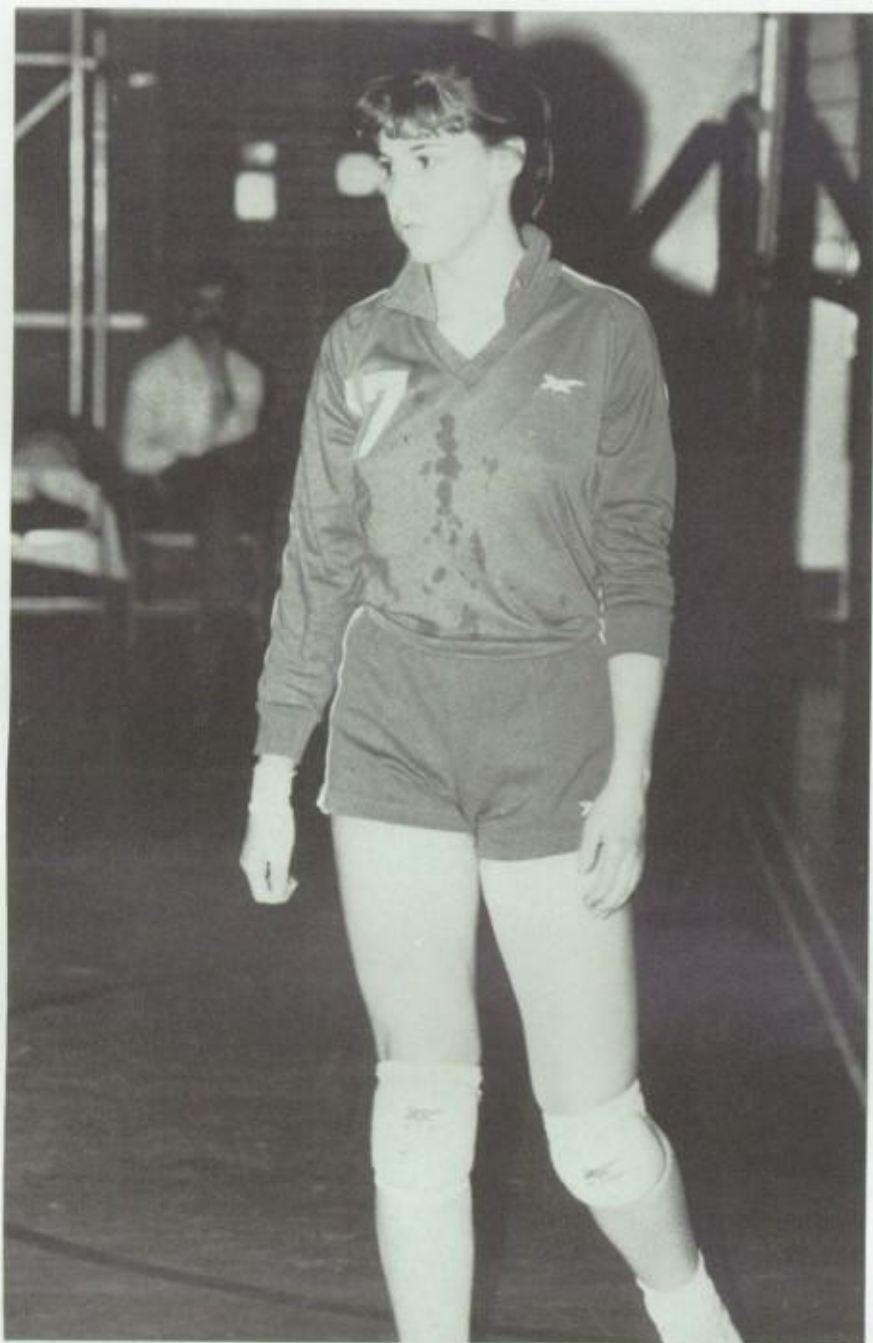

Coach Trudi Kesting believed the Raiders will be back on the warpath in 1985 with the return of the Markle sisters, junior Amy and senior Lisa, as setter and spiker, respectively.

Track

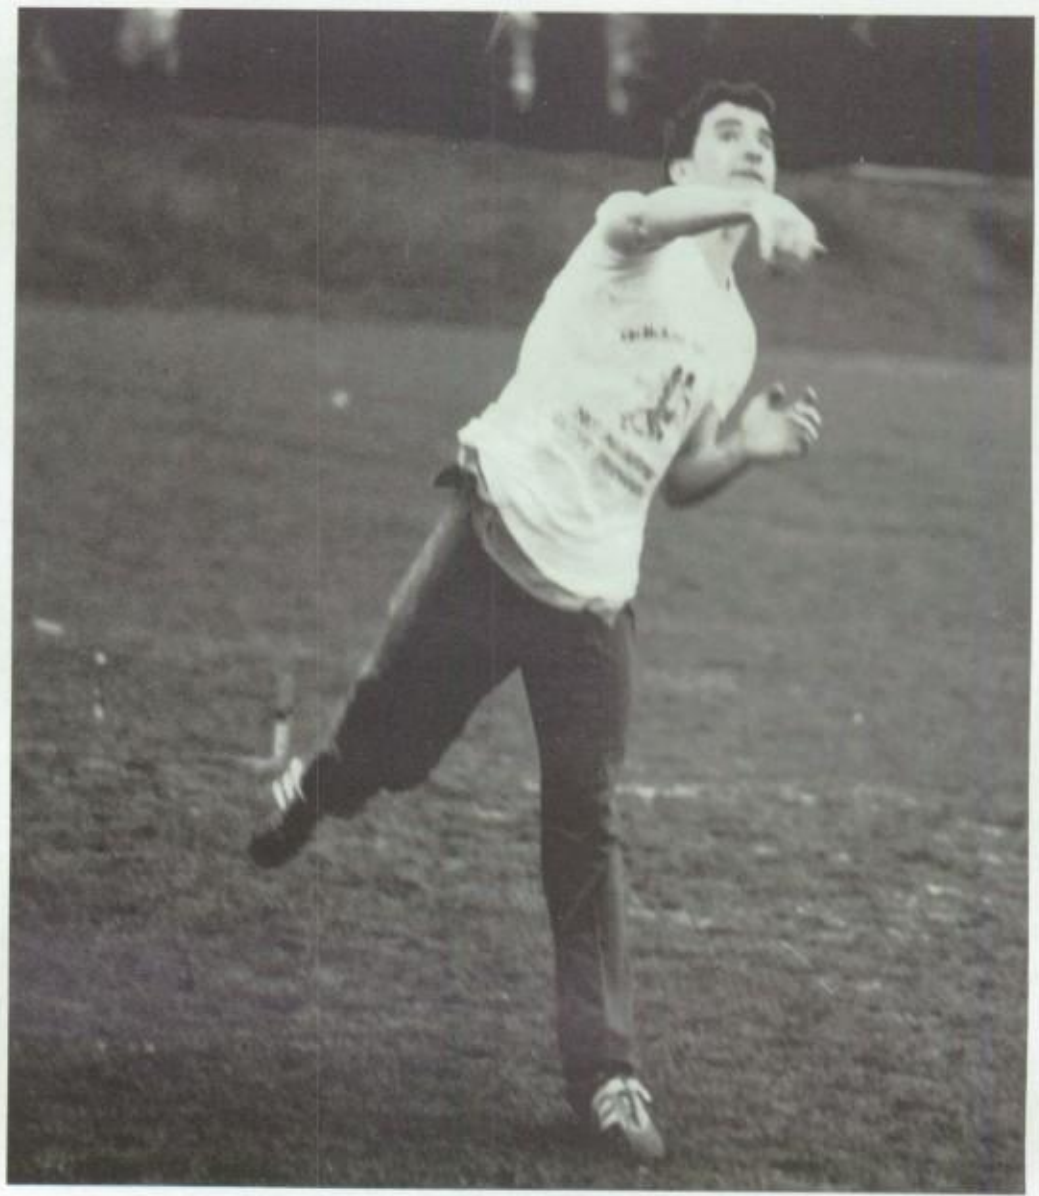

The 1984 SPFHS Varsity Track Team achieved a perfect 5-0 record en route to a highly successful season. The Raiders were led by coaches Jeff Spring, Dave Montagna, Bruce Cobleigh, and Richard Call along with captains Jim Reissner and Rich McGriff. The team started the season by finishing second out of more than two dozen teams at the Kearny Relays. The team then placed second in the County Relays. MVP Harold Matthews was the team workhorse, competing in several events and amassing the team's highest point total. Matthews reached the state's Meet of Champions in both the high jump and long jump. Jim Towle also reached the Meet of Champions for the javelin, and Konrad Soong placed second in the State Sectionals for the pole vault. The team promised to be strong again in '85 with strength in the weights and the jumping events. Towle led returning throwers Erik Ledder, Tom Jandersit, Mark Witzal, and Greg Gaines while jumpers Rob Ancipink and Roger Straight accompanied Soong in striving for another perfect season.

Girls' Soccer

SPFHS GIRLS' BOOTERS RANKED 15 IN STATE

The Girls' Varsity Soccer team proved this year that it is one of the fastest-rising and most rapidly-improving programs at SPFHS. Coach Charles Kline led a team which mixed youth and experience on its way to a 15-5 record. The team was a Union County Tournament Semifinalist as well as a State Tournament Semifinalist. In the State Playoffs, Scotch Plains defeated highly ranked Westfield, a team which accounted for two of the Lady Raider's five losses. These accomplishments led to a state ranking of 15. Top contributors were seniors Kelli Lies and Chris Mahon, co-captains and 1st Team All-County selections. Joining Lies and Mahon on 1st Team was forward Heide Katerba, an excellent scorer. Joley Lies was a 2nd Team selection at fullback, while Karen Wirth was named 3rd Team fullback. An abundance of freshmen on the team insure a bright future in Girl's Soccer.

Junior Terry McFall was a veteran varsity member.

Boys' Soccer

Dino Gentile was the Raider offensive MVP.

A team founded on spirit and unity, the '84 Boys' Varsity Soccer team accomplished a 12-8-1 record. Coach Tom Breznitzky devoted numerous hours to the team, and his leadership and enthusiasm were an inspiration to the players. Captains Dino Gentile and Mike Myrtetus assisted Breznitzky in leading the team, and they in turn were aided by Snoopy in their roles. Snoopy was carried into goal each game by goalkeeper Rob Ancipink. He was a source of stability and inspiration for the Raiders. Myrtetus and Ancipink anchored a tough Raider defense that recorded seven shutouts and allowed only 21 goals in 21 games. Gentile was the leading scorer and was assisted by Chris Tavaglione in controlling the Raider attack. Scotch Plains faced season-long frustration by challenging but barely losing to top-ranked teams. Against Kearny and East Brunswick, the top two teams in the state, the Raiders lost 2-0 in the closing minutes of each game. They finished the season by losing on the last shot in a shootout to eventual state sectional champ Montville. Myrtetus and Gentile were rewarded for their work with 1st Team All-County and All-State honors. Ancipink, Tavaglione, and defender Matt DePalma were put on 2nd Team All-County, while midfielder Al Pascucci was 3rd Team and defender Rick Johnson was Honorable Mention. The Raider season was defined by a spirited energy stemming from personal pride and from the support of faithful and enthusiastic crowds. The presence of four freshmen on the varsity squad promises a bright future for the Raiders.

Fullback Matt DePalma played a daring and physical brand of defense for the Raiders.

Sweeper Mike Myrtetus received the defensive MVP award.

Forward Chris Tavaglione's work rate on the field provided for a number of goal-scoring opportunities.

Sophomore Rick Johnson was a defensive stand out.

Togetherness was a characteristic of the 1984 soccer squad.

Al Passucci (TOP) and Alfie Ranucci (BOT-TOM) controlled the midfield for the Raiders.

Fall Cheering

CHEERLEADERS MAKE A DIFFERENCE

Perhaps more so than in any other year, the 1984 Raider Fall Cheerleading Squad was an important and valuable part of the Scotch Plains athletic program. The cheerleaders' enthusiasm carried over to the fans and gave much needed support to the Raider teams. Co-captains Margaret Minall and Adrienne Perfilio worked hard to make the squad an organized unit. Jennifer Kammerer, Sue Cerritto, Elaine Kaeser and Julie Rosania were all returning cheerleaders. The squad developed a new pom-pom routine to music and learned to do more pyramids than in the past. At camp over the summer, the squad won the coveted "Best All-Around Squad" trophy. This squad was truly among the best in Scotch Plains-Fanwood history.

Co-captain Margaret Minall was an excellent leader.

Field Hockey

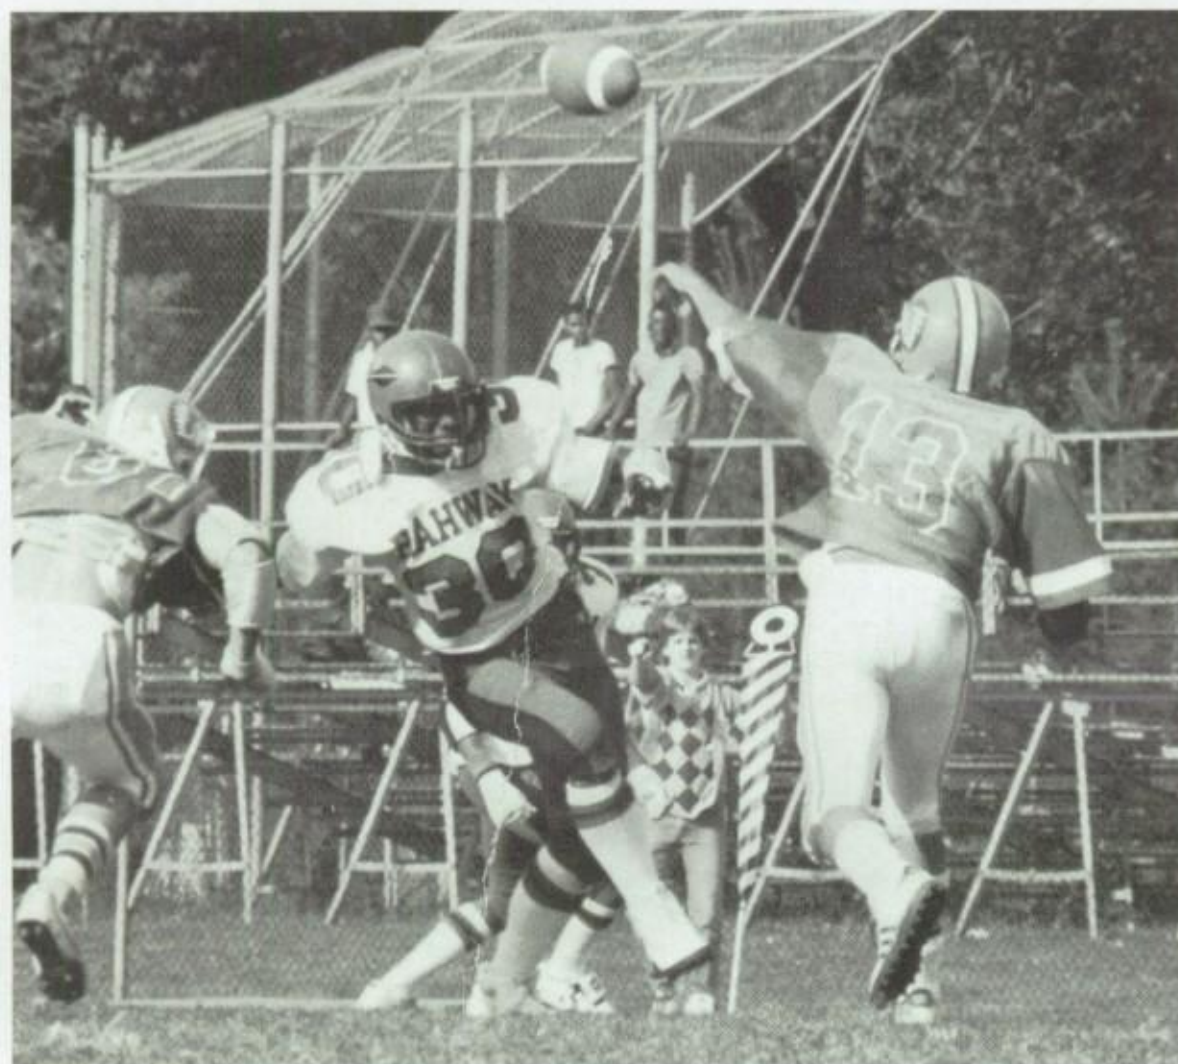

CALL'S FIRST SEASON PRESENTS HOPE FOR THE FUTURE

With only one senior and two juniors participating, the Field Hockey program at SPFHS seems to have a promising future. As for 1984, the team went 2-13 in Coach Richard Call's first year at the helm. According to Call, fantastic individual performances were turned in by a number of players. Center Halfback Samantha Carroll was team M.V.P. and team captain. Left and right inners Zoie Horvath and Sue Scarpa were vitally important, while goalie Nina Constandi was, in Call's words, "phenomenal." Besides Carroll, senior Tiina Ruhlandt, and Brenda Foy, every other player on the team returns for at least two more years of competition.

TOP: Zoie Horvath was an outstanding performer at left inner.

Football

The 1984 Varsity Football team finished their season strongly, winning 3 out of their last 5 games (with one tie), to finish 4-4-1. This marked the Raider's second straight season at or above the .500 level; quite an improvement over years past. The football program looks to be on the way up thanks to excellent coaching from Head Coach Gene Schiller and Defensive Coordinator Bruce Cobleigh.

Seasonal highlights included wins over Plainfield and Linden, as well as a tie against Westfield. The leaders in these games were co-captains Mark Witzal and Greg Gaines, who displayed superior line play on offense and defense. Also contributing were leading rusher Bob Montagna, wide receiver/defensive backs Ken Hammonds, and Joel Wussler, and back Jaime Fowler. Witzal was leading tackler, while quarterback Dale Cox showed steady improvement. A number of poised underclassmen keep the Raider fire burning for years to come.

Gymnastics

GYMNASTS TUMBLE THEIR WAY INTO FANS' HEARTS

The 1984 Gymnastics Team was the most successful in gymnastics history at SPFHS. The team compiled a 13-0 record en route to their second consecutive undefeated regular season. They also captured their second consecutive Union County Championship and their third Watchung Conference championship. After finishing third in the State Sectionals, the squad went into the State Team Championship seeded ninth. In their finest team effort of the season, the Raiders far surpassed their seeding by finishing fourth in the State. The team was spurred on by the leadership of Coach Pat Selby and captain "Amazing" Grace Arnow-Perfilio and co-captain Jane Walton. The Raiders took an impressive 4 out of 6 all-around places on the All Union County team. Sophomore Dawn Cagliari took first on the team, freshman Dana Lachnicht placed third, sophomore Jill Wanat placed fourth, and team Most Valuable Gymnast Arnow-Perfilio took sixth, her third consecutive year on the All-County team. Wanat, Cagliari, and Lachnicht all qualified for the State Individual championships where Cagliari placed third in the floor exercise. Though the team will be hurt by the losses of seniors Arnow-Perfilio, Walton and Lori Hannah, the wealth of underclassmen on the team should guarantee a winning future.

Girls' Tennis

The 1984 Girls' Varsity Tennis team made their way to a respectable 13-8 record. Co-captains Donna Balinkie (14-7) and Laura Hoover (9-8) led the team at second and third singles, respectively. Team M.V.P. Debbie Karlen had an incredible season, going 20-0 in regular matches. Her greatest achievement, however, was in the State Individual Tournament where she was a quarterfinalist. She also was named Third Team All-Group 4. Nancy Turner, Beth Polito, and Ingrid Baumans contributed at doubles to impressive wins against Cranford (4-1) and Plainfield (5-0). They also played well in close losses to Westfield (3-2) and in the State Tournament to Morris Hills (3-2).

Tom Clavin blazed a trail in SPF X-Country history.

Cross-Country

Hard work and perseverance paved the way for the 1984 Cross Country team. Coach Joe Filep, Captain Tom Clavin, and Co-Captain Chuck Young led the Raiders to a 3-7 record. Scotch Plains beat Irvington, Rahway and Linden en route to a season that was an improvement over previous seasons. Fran Costello and Frank Holowka were consistent top finishers for the Raiders. Tom Clavin was placed on 1st Team All-County and went on to compete in the State Championships. The loss of seniors Clavin and Young will hurt the Raiders in the future, but if Costello and Holowka continue the hard work they've shown thus far, they should be able to continue the upswing of Scotch Plains Cross Country.

Top Row: C. Young, J. Convery, E. Gordon, F. Costello, P. Lavecchia, F. Holowka, J. Filep. Bottom Row: J. Ramsey, B. Perkins, C. Tan, B. Sinok, T. Clavin, B. Kizer.

Wrestling

The 1984-85 Wrestling squad, like many of the other winter sports teams, faced one of the state's toughest schedules. Senior captain Joshua Nadell led the Raiders against state ranked teams Delaware Valley and Westfield, as well as always tough Union, South Plainfield and Cranford. Other than an impressive win against Union, close losses were the result against each of these teams, including Cranford in the State Tournament. These teams accounted for 5 of the teams 6 losses, compared to their 10 tough wins.

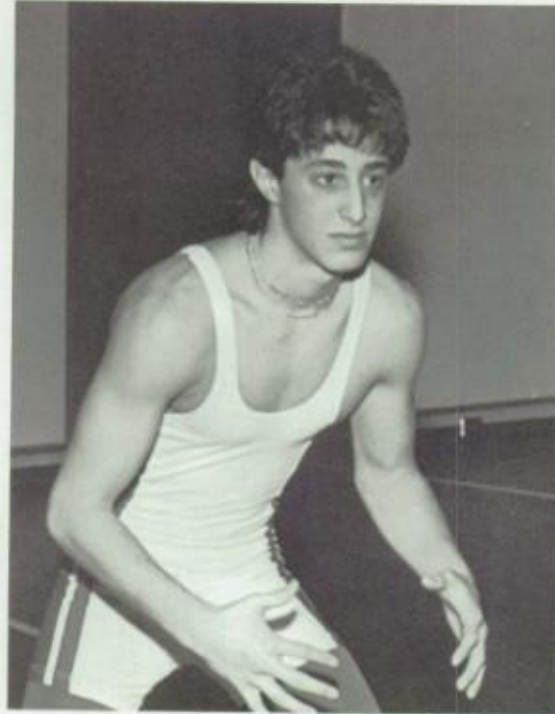

Mr. Len Zanowitz coached many Raider wrestlers to excellent individual performances. In the County Tournament, where the team finished fifth, Sophomore Ralph Sorrentino was 130 lb. champ, Junior Paul Robinson finished second at 105 lbs., and Sophomore Mike Robinson placed third at 101 lbs. Sorrentino and the Robinson brothers also fared well by advancing in district matches, along with Junior Mike Nitti and seniors Mark Witzal and Mike Sal. Sorrentino went on to win the Sectionals where Paul Robinson finished third; both qualified for the State Individual Tournament. Despite the losses of seniors Nadell, Witzal, Saul, and John DeProspero, Raider wrestling should be tough in the future.

Winter Cheering

Seniors Grace Arnow-Perfilio, Elaine Kaeser, Junior Adrienne Perfilio, and senior senior Margaret Minall do the famous "pep step."

Under the guidance of captains Margaret Minall and Adrienne Perfilio, and with the addition of three new cheerleaders, the 1984-85 winter Cheering Squad added excitement and spirit to Varsity Basketball and Wrestling contests. The squad often had their dedication put to the test, considering the many hours of practice and actual gametime. The team also got to witness and enhance some exciting battles, including the basketball team's defeat of #1 Elizabeth, and the wrestling team's close loss to rival Westfield. Seniors Jennifer Kammerer, Sue Cerritto, Grace Arnow-Perfilio, and Elaine Kaeser, along with Minall and the talented underclassmen helped to put together the many intricate cheers and pyramids which made the season a success.

Swimming

The 1984-85 Swim team gained popularity through its successful season as well as its increased number of participants. There were no less than twenty five members which comprised the county's #2 team. Senior Captains Peter "Swede" Carlsson and Craig Hafer were some main contributors to the 5-4 record. At the counties, Carlsson took firsts in the 200 individual medley and the 100 butterfly, while divers Mary Beth Mills and Karen Boos each placed in the top four. Along with the aforementioned competitors, Keith Hafer, David Mills, and Bill Gillet fared well in dual meets against rivals Union Catholic and Westfield. Craig Hafer, Mary Beth Mills, and Carlsson took their acts to the state meet where Hafer competed in the 50 freestyle, Mills in diving, and Carlsson attempted to better his team record 57.52 in the 100 butterfly, as well as attack the 200 individual medley.

The Merkle sisters, Amy (34) and Lisa (35), were excellent contributors both as scorers and as rebounders.

Girls' Basketball

By the end of the Girls' 1984-85 basketball season, the Lady Raiders had rounded into a competent all-around squad with a 5-13 record. Senior captains Kelli Lies and Lisa Merkle led a young group of girls against a tough schedule. Along with their leadership, Kelli's ballhandling and passing and Lisa's rebounding were main components in a team which made the round of 16 in the county tournament.

Coach Sue Allen recognized the overall improvement of the team and looked forward to an improved record behind the future standouts; the underclassmen. Sophomore forward Tressy Gonzalez was a big scorer, junior Heide Katerba was an all-around threat, while younger sisters of each of this year's Co-Captains also stood out: Joley Lies and Amy Merkle were outstanding at guard and forward, respectively. Seasonal highlights included a revenge win against Westfield, and the improvement shown each time the Lady Raiders fell to state-ranked Union Catholic.

BOYS' BASKETBALL

The 1984-85 Boys' Basketball season contained both surprises and disappointments. A young team with only three returning lettermen made its way against some of the state's toughest competition to a 9-13 record. The team finished with a bang, serving notice to next year's foes, by winning five of their last seven games. Included among these victories were an amazing triple overtime win against then the state's #1 team Elizabeth, as well as a Union County Tournament Win over Westfield which put the Raiders in the County Quarterfinals. Among the disappointments, two close regular season losses to Westfield, a loss to Union Catholic, and the team's unvictorious first five games.

Coach Bruce Cobleigh gained acclaim for instilling a hard-working attitude in a team and he got favorable results from a number of players, including Junior Willie McCoy, one of the area's leading scorers at over 20 points per game. Senior guard Reggie James was a double figures scorer and a team leader, while other contributors were Senior Kevin Scott, Junior defensive stopper Marcus Nelson, and Sophomores Mike Brow, Jimmy Weber, and Felton Jones.

Senior Konrad Soong shows exhaltation after winning a sprint against classmate Jim Towle.

Following a season comprised of invitational, County, and State meets only, the 1984-85 Winter Track Team showed that it contained promising athletes for the dual meets of spring. In the St. Joseph's Invitational in Montvale, high jumpers Rob Ancipink, Konrad Soong, and Connie McGriff placed, while Captain Jim Towle, Craig Cummings, Roger Straight and McGriff competed well in the 4x200 relay. The Plainfield Invitational brought a win in the novice 4x200 relay, which included seniors Towle, Cummings, Soong and Straight. Also performing well was the novice 4x400 relay team, comprised of Ancipink, senior Bill Clancy, Junior Bob Corritore and junior Erik Ledder, which finished fourth. The County Relays brought a third place finish for the Soong-Ancipink high jump team, which is looked for by coach Jeff Spring to be a potent polevaulting duo as well in spring '85. Soong had the state's fourth best winter vault — at 13'0". This vault also placed him third in the prestigious Lehigh Invitational.

Bowling

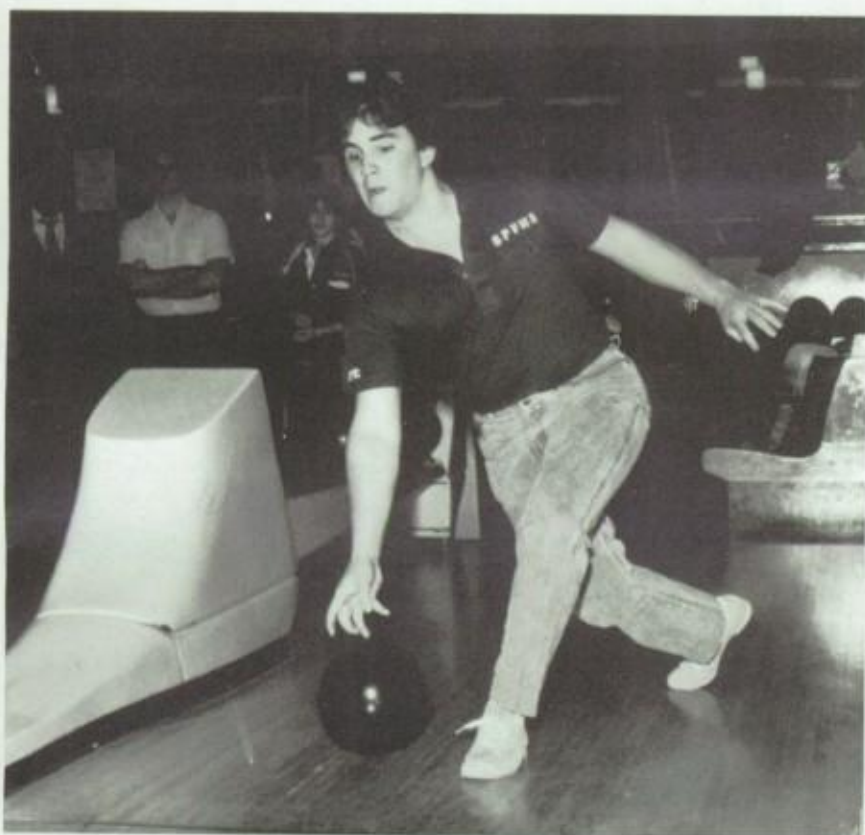

Strong performances by members of the bowling team helped them to eighth place in the Union County Tournament, which was held at Echo Lanes in Mountainside, New Jersey. The team missed the finals by only 18 pins.

Coached by English teacher James G. Mason, the team managed a record of 12 wins, 19 losses and 2 ties, placing them in seventh place in the Watchung Conference. The team beat all top teams in their division at least once during the season.

The young team, led by MVP Steve Faloon, had their best showing against Rahway in the Union County Tournament. Faloon and Andy Sirdashney each averaged about 160 per game during the season.

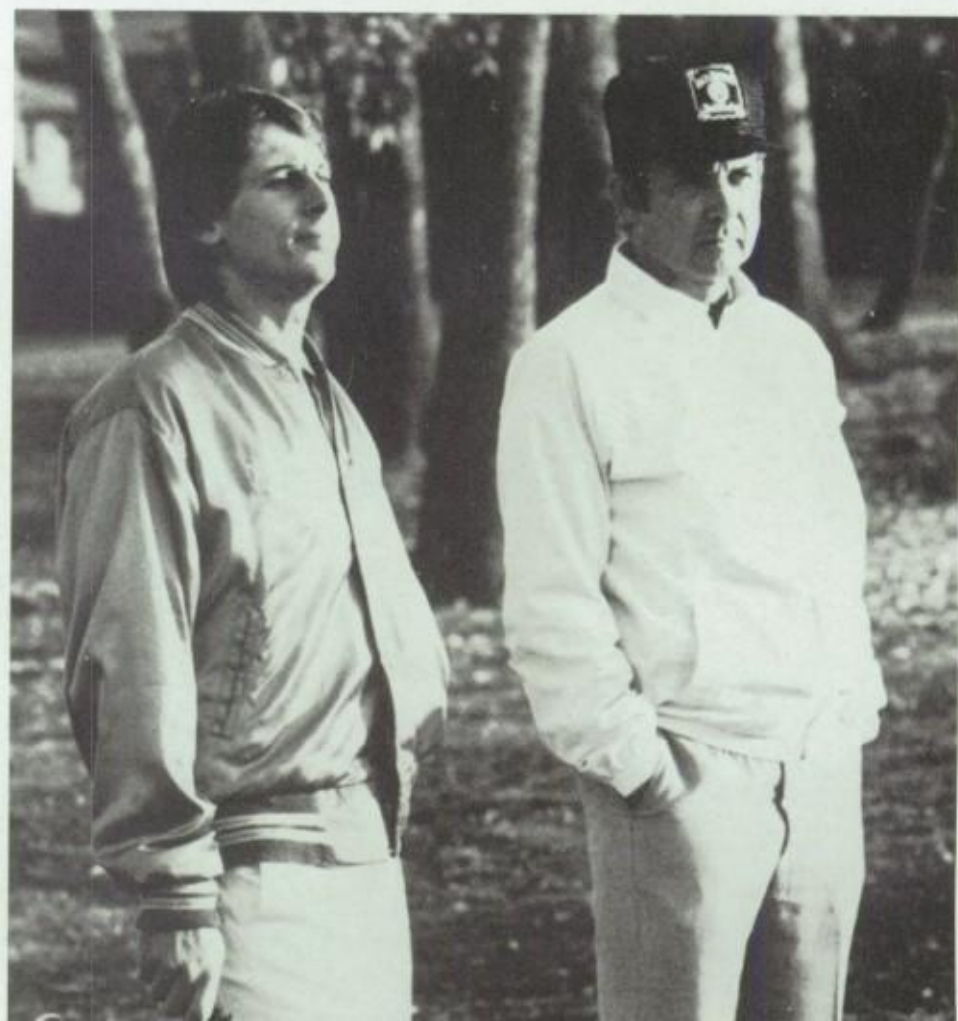

Coach Mason, describing his teams efforts, stated, "We have improved a lot during the season." Freshmen Jeff Faust and Mike Hughes should provide a strong base for next year's team.

Seniors Steve Faloon (below) and Mike Mancini (below left) contributed greatly to the S.P.F. bowling program.

COLOR GUARD

The smallest squad performing on the field, the Color Guard is hardly the least noticed. They perform near the front to show off "their routine." Their spectacular talent and creativity were revealed when they competed in Toronto. The captains consist of Chris Remler, Joyce Soprano, and Susan Santichen. Along with Flag Squad they share a special homeroom. Mrs. Cecchine is the advisor of this group.

FLAG SQUAD

Flag Squad cannot be missed not only because they are the largest on the field but they also highlight the formations of the band with their spectacular flags. This year to go along with the theme of "America," the flags were changed to red, white, and blue to help the band form the American flag. This year the flag squad competed along with the band and on-floor competition in Toronto. The Captain is Joy Bavosa, Co-Captain Lauren Cirrito, 1st Lt. Donna Luonog, and 2nd Lt. Kelly Howell. These girls have their own homeroom. Mrs. Cecchine is the advisor of this praised squad.

From their opening move to their final pose, the swing flags interpret the music that is being played by the band. With their new blue and gold flags the swing flags add sparkle to the formations of the band. The girls raised money during band camp by selling M&M's to cover the cost of the new flags. The Captains in charge of this group are Diane Kmak, Diana Bizjak, and Michelle Kowalski. Besides, performing a field show routine, they also competed in a floor routine in Toronto, Canada. This squad was just formed last year and is having a successful second year. The advisor of this fine squad is Mrs. Wellman.

The Twirlers are an unique group consisting of eight swing flag members who received the highest scores during tryouts held the previous spring. They perform as twirlers for parades and at homecoming, where they twirl with fire. The rest of the time they perform with other swing flag members in the field show. The girls raised money during the year to buy new uniforms. Their spectacular routine was revealed in the floor competition held in Toronto. Diane Kmak serves as Captain and Diane Bezjak as the Co-Captian. Mrs. Wellman is the advisor of this talented group.

The 1984-85 Raider

Marching Band

Drum Squad

The percussion squad is traditionally the core of the marching band sound and serves to unify the group not only during the field show but also in parade formation. The Tri-Toms and the Taton Clusters are the most distinctive instruments that comprise the squad's sound. The snares, basses, symbols and bells are also basic instruments of the group. The students that make up the Drum Squad practice with the band in the mornings and also after school with their new advisor, Mr. Reo. They will compete in Toronto in Percussion Ensemble.

Honor Guard

The Honor Guard of the 1984-85 Scotch Plains — Fanwood High School Marching Band consists of 17 members. They display: two rifles, which guard the American Flag (as is mandated by the state), the school banner, and fourteen flags. These flags represent past destinations of the marching band, such as Maryland, Pennsylvania, and, of course, New Jersey, and hopeful future destinations, such as Hawaii.

The Honor Guard plays a vital role in the field show of the marching band. They are responsible for unrolling the giant American Flag at the dramatic ending of the band's incredible and patriotic exhibition.

It is important that the honor guard be an impressive group because they are the first glimpse of the band that most people see. They lead the marching band in parades and onto the field at football games. They have achieved success from their practicing every morning with the marching band.

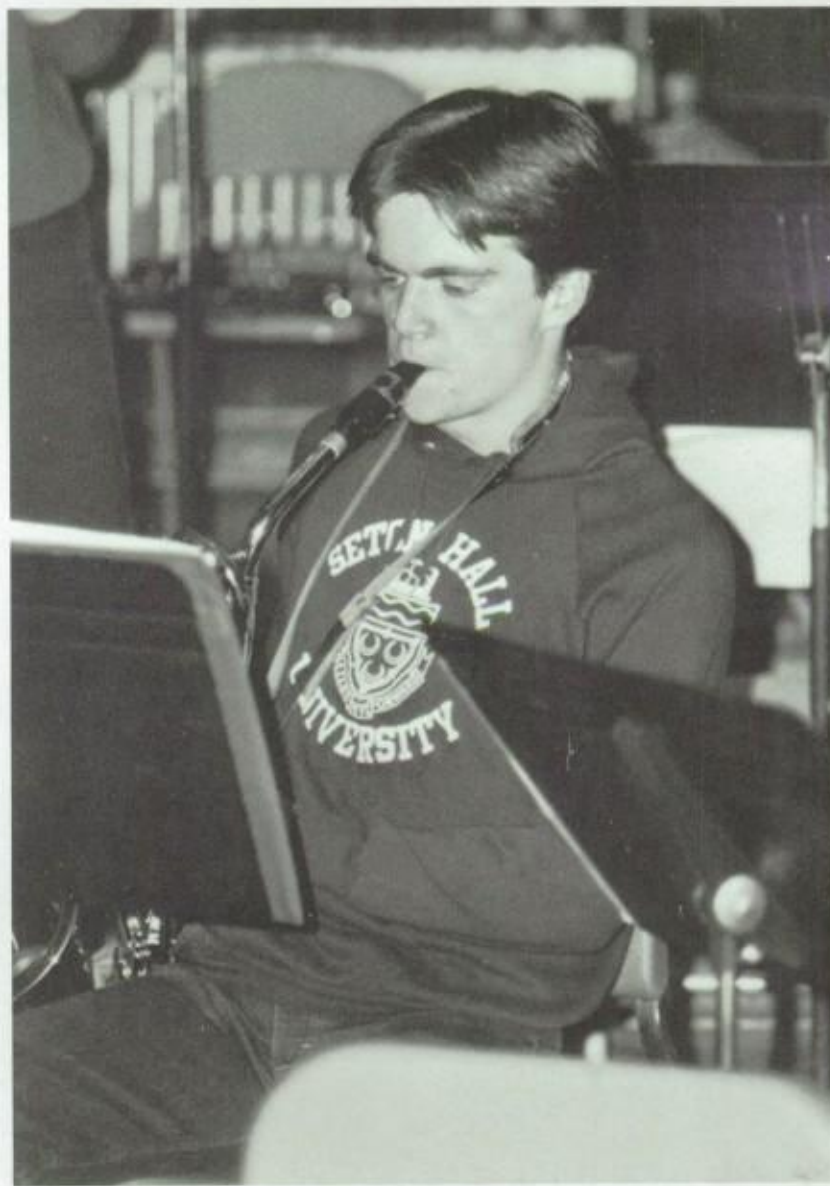

Concert Band Symphonic Wind Ensemble

"Band class, band practices, band finals — will they ever end?" Apparently not. Once one has mastered Concert Band, then comes Symphonic Band, then after all that when one is put in time and practice he moves up to Wind Ensemble to play among the best in the school. Each class meets four times a week earning four credits a year. Concert Band and Symphonic Band are level zero classes. Wind Ensemble, because of the high level of music that is played, is an honor's class. Although the place of competition has changed from Ocean City, Maryland, to Toronto, Canada, the high level of competition is still there. Wind Ensemble will join other double A bands in competition. Keeping with the patriotic spirit this year's Concert Band performed Canterbury Suite, Symphonic Band played Salute to Sousa and Wind Ensemble played Washington Post by Sousa.

The directing responsibilities are divided up between Mr. Brown and Mr. T. Together they direct Concert Band. Mr. T solely directs Symphonic while Mr. Brown directs Wind Ensemble.

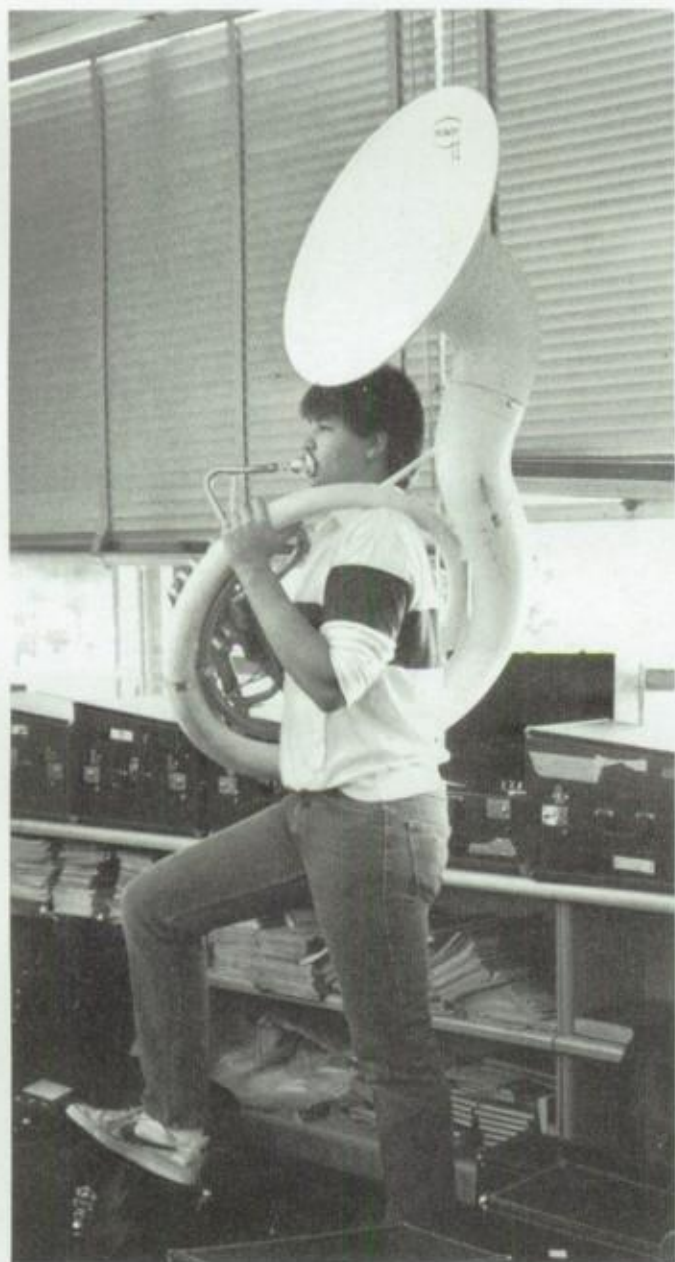

Moonglowers

The Moonglowers are an auditioned group of Scotch Plains — Fanwood's finest jazz musicians. Trumpets, saxaphones, trombones, the piano, bass, flutes and drums all give the Moonglowers its characteristic "Big Band" sound. The band's three competition arrangements are "Pressure Cooker," "Checking the Cell Structure," and "Channel 3." The young men and women that comprise the group practice once a week for approximately three hours after school. They entertain annually for the PTA fundraiser and compete quite successfully in the State Festival of Jazz Bands and in each year's spring evaluation.

Orchestra

The orchestra changed this year by enhancing its sound through the addition of the strings from the middle schools. Performances were given at both middle schools, Park and Terrill, and also at the High School. This year's holiday concert was sparked by vivid renditions of "Rudolph," "Ukrainian Bells" and "Jesus." The orchestra also performed at the Spring Concert held in May. The conducting responsibilities were divided between Mrs. Laurie Wellman at the High School and Mr. Ted MacVicar, the middle school director. All should be commended for their excellent work in making this new orchestra a success.

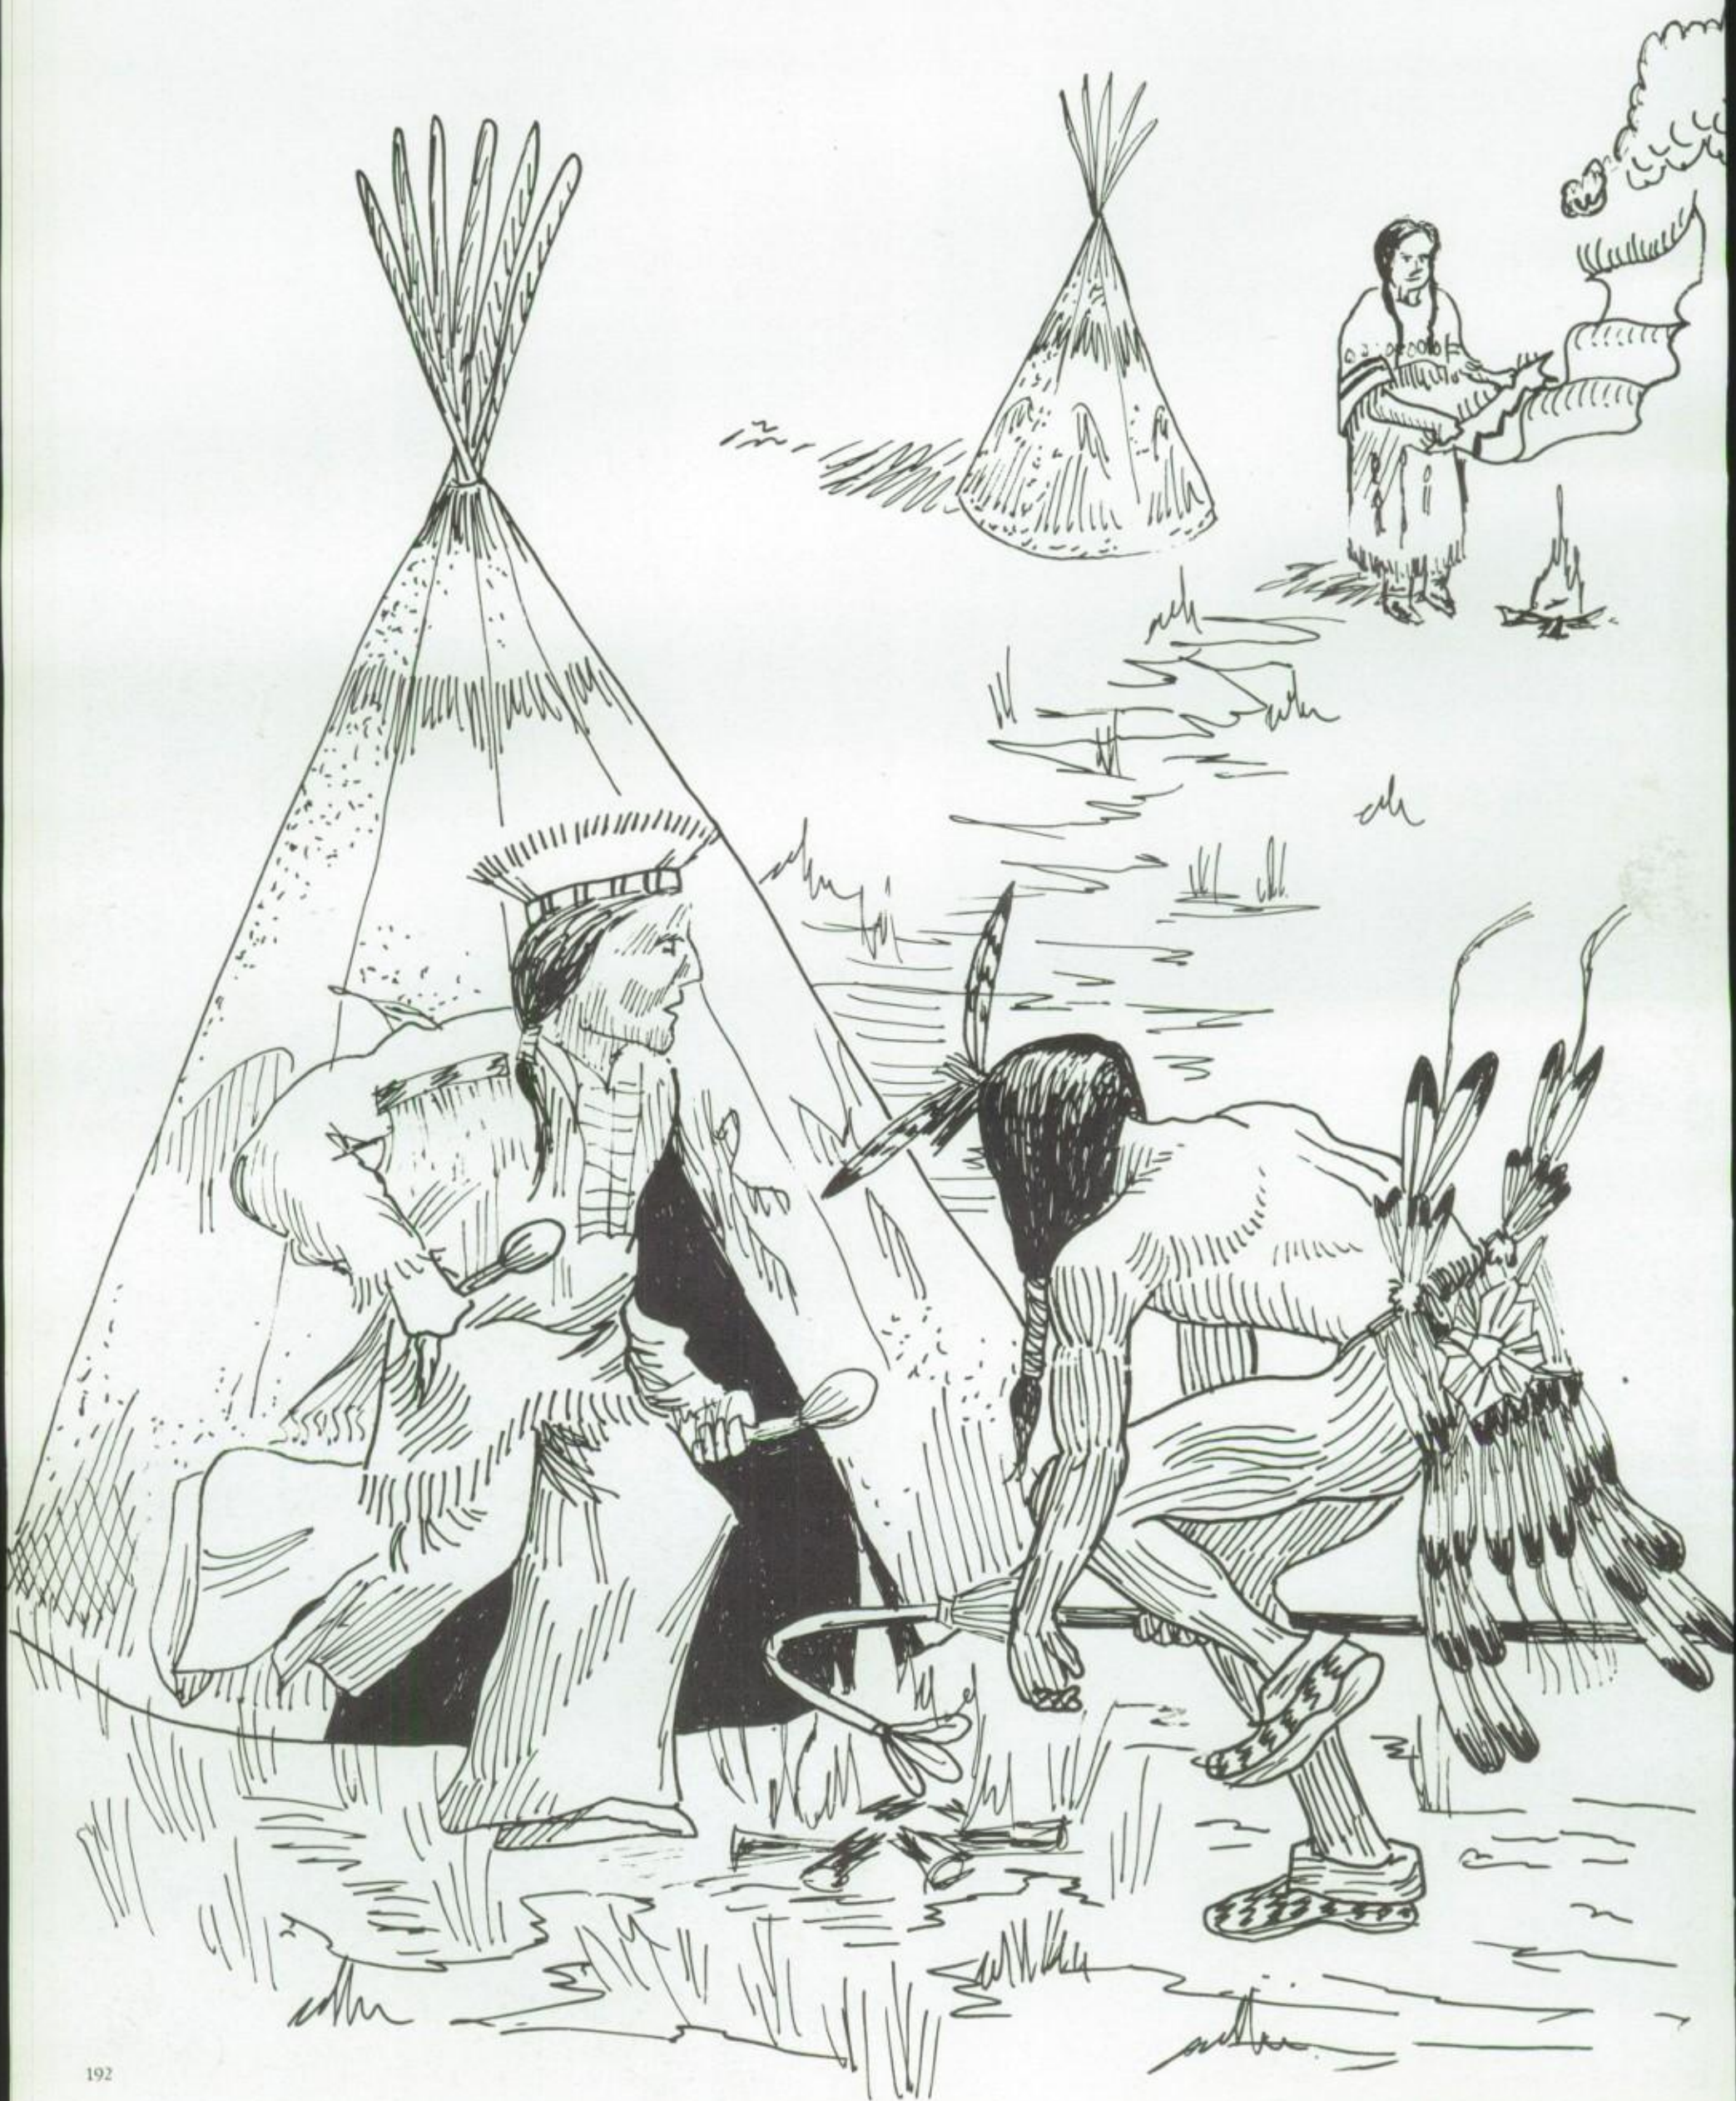

Choir

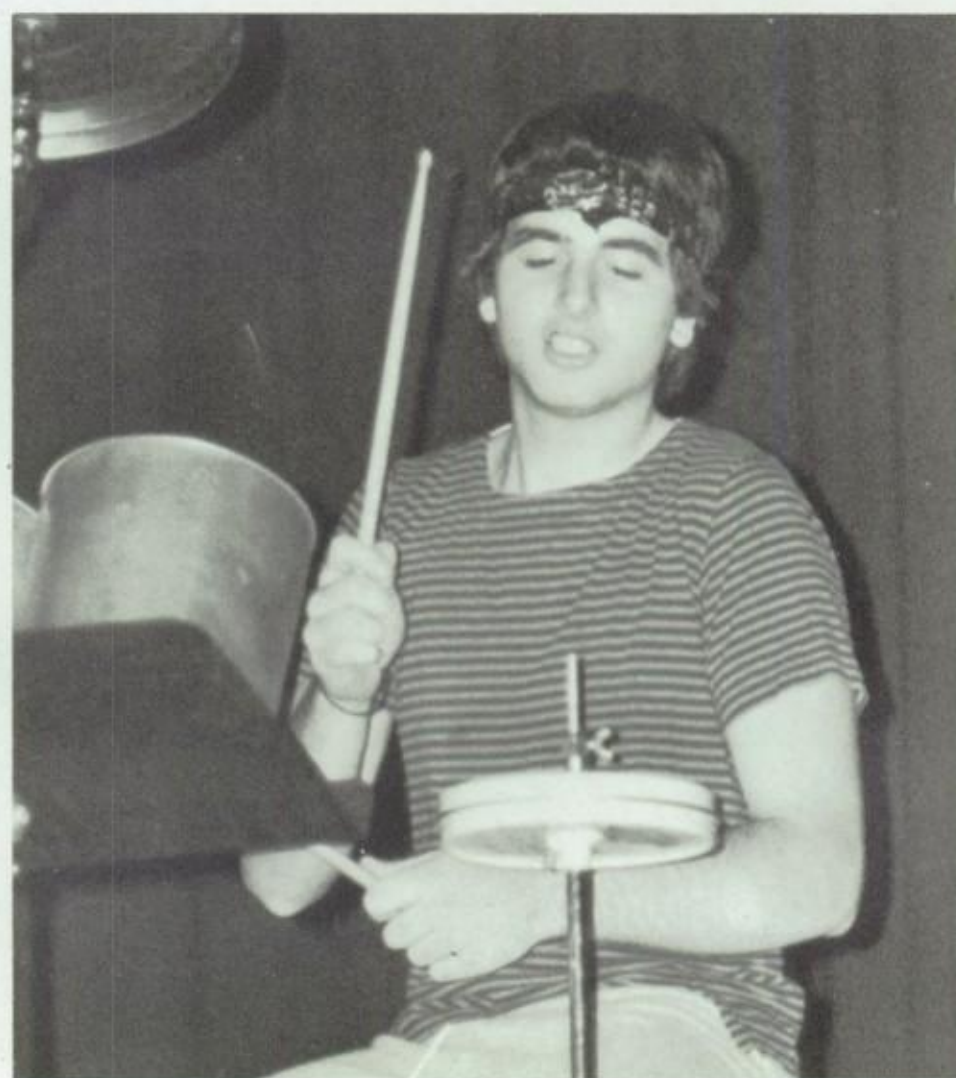

The number of choir members this year hit an all time high of 110 members. Early morning practices began in October for the holiday concert. Songs were sung to help spread the joy of the season. The evening concert as well as the two assemblies the next day were a big success. Along with the pop songs such as "Total Eclipse of the Heart" and "Through the Years," the choir performed "America," a melody that describes American history and "Give Me Your Tired, Your Poor," the official song of the Statue of Liberty. In Toronto this year not only will the full choir compete, but also the two select choirs; Las Con, consisting of just girls, and Small Mixed, consisting of both boys and girls.

Activities

AFS

American Field Service works with students to promote world friendship and peace as well as to give the members a chance to learn about foreign countries.

Advisor Ms. Donahue, President Colleen Foy, Vice-President Raji Sidu, Treasurer Sanjeev Khagram and Secretary Marissa Rabke met with the club's members every first Tuesday of the month to plan their activities.

These activities included a trip to a German restaurant, a holiday dinner with food from all over the world, a Chinese Auction and a Spring Trip to Williamsburg, Virginia.

The members also got to meet with foreign students during their International Weekend. During these few days foreign students stayed with various members and attended school with them. They also shared some of their experiences with the student body in an assembly.

"The assembly rotation is A-B" ... "Please stand for the pledge to the flag" ... These are common phrases heard before an assembly. The Committee members plan, prepare, and coordinate all assembly programs. Assemblies are organized by the officers and the advisor, James Sochan. The Assembly Committee is responsible for all assemblies which provide educational as well as entertaining programs.

Athletic Trainers

This year there's a new addition to the school. The athletic training staff, advised by Mr. Hensal, is a group of students comprised to help all the sports teams tape up and prepare for the next game. Mr. Hensal, feeling the work was too much for one person, enlisted a staff which was interested in learning the techniques. Mr. Hensal showed the students what to do and how to do it and set them to work. They tape up the athletes for the upcoming competitions. Next time you're watching one of these sporting events, think about how much work is put in by the behind-the-scenes team.

Battle of the Bands

The signs were hung in the hallways, the competition was on, the talk of school was, "Who's 'gonna' be this year's champion?" Everyone was holding their breath for the great musical battle. The first night, Final Entry, Cornerstone, Backdoor, and Necrophyle, were battling with their drums, basses and keyboards. The outcome was Cornerstone and Final Entry. The second night combatants were the Transients, Hex, and Rapid Fire. The winners of that night were Transients and Hex. On the third night the Battle of the Bands had a sellout crowd. The band members were keyed-up and ready to play. They were allowed three songs to play, to decide the battle. Hex played first giving an outstanding performance. Next Final Entry gave the best performance of the battle. They received a standing ovation at the end of their playing. The Transients gave the audience a surprise, bringing in a flutist to accompany in "Stairway to Heaven." The final band of the battle, Cornerstone, offered a "smoking performance" to go on and win the battle.

Challenge Team

The Challenge Team, made up of Leah Lefcourt, Tiina Ruhlandt, Alexander Huypen, and the alternate Tammy Leftcourt, is advised by Mr. Spring and Mrs. Hull. The team appears on TV-3 and they "battle their minds" against the teams of other schools. To sharpen their wits, the Challenge Team is quizzed in homeroom on various topics by Mr. Spring. Their competitions with other schools are a single-elimination and the team, as of this writing, has won their first match against Essex Catholic with a score of 270-240.

Computer Club

The Computer Club is open to all who want to gain more knowledge about computers. The only requirement necessary to join the computer club is an evident interest in how computers work. The club members, led by Craig Hafer — President, Vice-President — Frank Uzzolino, and Secretary/Treasurer Mary Bohuszewski, meet after school on Wednesdays to test their skills against the computers. Mr. Kenderdine and Mr. Volpe are available to aid when students have baffling problems to solve. The Club members may play games on the computers. The Computer Club allows people who have no time during the day to learn how to use computers and have people around to help them if they need it.

Deck Hockey

"It's the time of year
Where winners join and meet
From the boondocks of the
Southside to the corner of Victor Street
And all our years together
In this great school
We'll see which team is better
And this year who will rule." — Kerwin McLaughlin

Deck hockey, an essential part of our school, as well as our community, serves as an outlet from the daily academic activities for participants, and provides a little excitement in our school year. It brings this school together outside of the classroom and teaches its players the essential values of fair play, sportsmanship, and the thrill of healthy competition.

The Culmen Yearbook Staff has been busy this year trying to make the yearbook the best it has ever been. Activities began early, with several in-depth seminars on various topics to enhance the yearbook's quality. The literary staff took a day's field trip to the yearbook publishing office and learned valuable techniques which enabled them to write more successfully. These seminars and trips are just some of the activities in which the Culmen Staff participated. Other activities included fundraisers, cookie sales, calendars and, of course, boosters.

Culmen has organizational changes yearly. Section editors are chosen to provide more students with the opportunity to share the responsibility that goes along with putting the yearbook together. The staff, when preparing the separate sections, went through long hours after school and at night to meet the deadline. Each week on Wednesday 10th period, the staff members met in a Culmen class for 1 credit. These meetings were usually filled with noise, laughter, and anxiety as deadlines neared. The Culmen staff was advised this year by Mr. George Kurek and Mr. David Evans. They always took the time out of their busy schedules to guide and advise us on the way to a great yearbook.

DECA

DECA, the third part of the Marketing Distributive Education program, had quite a good year. You might best remember DECA for its School Store, but DECA provides a far more valuable service in its caring about others and its involvement with our communities. Through activities such as food drives for the "needy", adopting a foster child, monthly parties at Ashbrook, Holiday Home Decoration Contest, The Memorial Day Parade, Youth in Government Day, the High School Activities Sign, sponsorship of the High School Quiz Bowl, and many others. DECA Students as they learn and grow, lead the way as we show we are "Students caring, students sharing."

Drama Club

If you have any acting abilities, the Drama Club is for you. It is open to anyone who passes the auditions held in the beginning of the school year. This year, the members of the club, led by Leona Kral — President, Jim Berry — Vice President, John Bischoff — Secretary, Anita Dharapuram — Treasurer, and Mr. Hooper, the advisor, produced George Orwell's *1984*. The production started in September in the Arena Theatre, and was performed for the public on December 7th. The Drama Club invited some junior and senior classes to watch a special production of *1984* because many students have studied Orwell's book.

Each month the Fanscotian staff produces a bi-weekly paper informing the students of the school's recent events. In putting together each paper the editors and their staff work under a hectic and demanding schedule filled with deadlines and revisions. Quite often the editors will stay after school on Tuesday making last minute adjustments on stories, producing headlines and cutlines, and setting up dummy sheets. The following afternoon the editors, led by advisor, Mrs. Oakes, drive to Vanguard Printing in Hillside to lay out the final copy of that week's paper. This usually takes about 6 hours filled with laughing, munching, singing, and a lot of hard work.

FBLA is a club designed to prepare teenagers for competition and pressure they will face in their future careers. The students attend conferences and workshops to help them develop the skills necessary for becoming successful leaders. In February they attend a regional conference to compete with other teenagers in the nation. In the competition, skills in accounting, business law, typing, stenography, and public speaking were tested. Miss De Salvo, the advisor, verified that the competitions were all equally difficult. The club's fundraisers financed their trips to the regional, state, and national conferences. This year the club went to Eastern Texas for a national conference to test their business leader skills.

The French National Honor Society consists of our School's best Junior and Senior French students. These students must hold an average of mostly A's in French. These students must also maintain at least a B average in the rest of their subjects. The Society, under the direction of Mrs. Krane and under Tiina Ruhlandt and Jennifer Choe as Co-Presidents, Traci Green as Treasurer and Betsy Shumway as Secretary met once or twice a month. They also had a series of fundraisers such as bake sales, the selling of stuffed animals, and a car wash. The money earned was put toward a trip to New York to visit a museum, go to a French restaurant, and see a movie.

French Club

The French Club, advised by Mrs. Krane, met every second Tuesday of each month this year to discuss, of course, French. The club has had fondue parties and crepe parties to test out some of the foods from the French culture. For fundraisers the French Club sold stuffed animals and held bake sales for both back-to-school night and homecoming. The money goes towards their trip to New York at the end of the year.

Frosh Orientation

Making the transition from middle school is a difficult one, but it is made smoother by the Freshman Orientation Committee. By providing maps, pre-high school pep talks, tours of the building, and giving presentations, the committee helped the freshmen make this difficult transition.

German Club

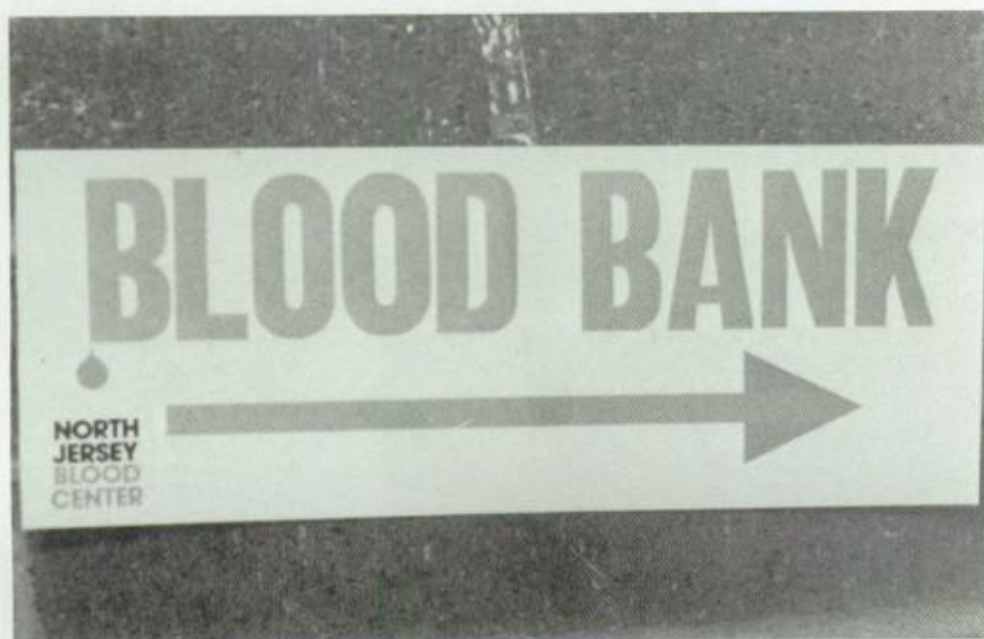

The German Club, which is open to all students, meets once a month in the Foreign Language Independent study area, with Mrs. Gabriel as the advisor. The officers are Leona Kral — President, Mary Grunthaner — Vice President, Mike Winey — Treasurer, and Cathy Imasa — Secretary. They had fundraisers such as a bake sale and car wash. Lorene Smith was in charge of fundraisers. From the money they earned, the German Club took a trip to a German restaurant and also went ice skating.

Italian Club

Miss Susan Doscher, who has taken over for Mrs. Kascur, is the advisor of the Italian Club. The officers are, Lisa Festa, President, Kelly O'Brien, Vice-President, Ann Cartwright, Secretary, and Tammi Brazaitis, Treasurer.

This year's members sold candy and also held a spaghetti dinner. The money will be donated towards a scholarship given to a deserving senior who has taken Italian courses.

At the end of the year, the Italian Club planned to go to a dinner and possibly take in a movie.

Homecoming

This year on November 21, 1984, the SGA sponsored their annual homecoming ceremonies. All four classes and three clubs entered floats under the theme of "movies." It was a somewhat blustery night as the band members and the students involved stood outside the Fanwood Library waiting for the parade to begin. After the band played, the winners of the floats and the Homecoming King and Queen were announced. Coming in first place was the Drama Club. The German Club took second place, while the third place was awarded to the Junior Class. The nominees for Homecoming King were Josh Nadell, Dale Cox, Bobby Montagna, John Bischoff, Mark Witzal and John Rosania. The nominees for Homecoming Queen were Grace Arnow-Perfilio, Jeanne Scala, Joyce Soprano, Becky Surridge, Margaret Minall and Cecilia Tan. And the winners were . . . Josh Nadell and Grace Arnow-Perfilio. The ceremony came to an exploding end with a brilliant fireworks display.

Latin Club

Key Club

An active and charitable club, the Key Club is advised by Karen Robshaw. The officers this year were Steve Bradway, President, Josh Nadell — Vice-President, Joyce Soprano — Secretary and Tim Neilson — Treasurer. The Key Club is the junior Kiwanis Club of Scotch Plains. Some of the many activities the club organized and accomplished this year were conducting the Bowl-a-thon, which raised money for charity, and helping the Kiwanis Club with the annual Luminaria Sale. The Key Club is a link between SPFHS and the community.

Leo Club

The Scotch-Plains Fanwood High School Leo Club is a tributary of the SPF Lions Club. The Leo Club raises money through fundraisers for the Eye-Ear Mobile of Scotch Plains. This year the Leo Club also held a Blood Drive for the North Jersey Blood Center. They collected approximately 70 pints of blood from the students and teachers of SPFHS. The Leo Club met almost every Monday night to discuss plans for raising money for the needy.

Mascots

This year we have more mascots than usual to boost up the morale of the varsity football team. The tryouts consisted of knowing the same routine as the cheerleaders. Each week as the football games progressed, the mascots came out in their Indian garb to cheer, yell, and do whatever they could to help boost our team to victory.

Modern Dance

Every Monday night, the girls of Modern Dance meet. The night starts off with exercises and basic movements and gradually moves on to group dances. Sometimes the girls choreograph pieces on their own and present them in shows and also to the class. Modern Dance is different from ballet and studio dancing because there is no stress on toes or arms; in modern, the whole body is used. Every year the class prepares for an annual performance in April. This year it was a success! Everyone worked hard at doing their best and it showed.

Muse

The Muse is the high school's only literary magazine. It presents to the students a variety of literary and artistic material such as, poems, stories, photography, and art work. The magazine's staff is comprised of creative students who wish to express themselves artistically. Any material submitted to the group is discussed and voted for publication.

Octagon Club

The Octagon Club has been meeting every Thursday after school with one goal: to complete one project by the end of the school year. Jeff Brez — President, Vice-President — Traci Green, and co-secretary/treasurers Diane Kmak and Lisa Freiman, along with the other members work at their meetings to plan an all-school luau with all the profits going to charities.

This year's Octagon Club which has grown in size is a branch of the Scotch Plains-Fanwood Optimist Club.

Political Affairs

As its name suggests, the Political Affairs Club, advised by Ms. Rich, is designed to allow students to discuss and expand their views on political concerns both national and international.

One of this year's major topics was the Presidential Campaign, one that was unique in that Geraldine Ferraro vied as the first female candidate in the Vice-Presidential race. A major portion of the year was dedicated to the students' involvement in the Model United Nations program, a tri-state competition held in Hershey Park, Pa. Seniors Alex Huypen, Steve Agran, and Doug Beale served as representatives, each earning awards for their efforts. In addition to the above activities, the club cooperated with the humanities classes to raise money for the starving people of Ethiopia.

Repertory Theatre

Following its controversial production of *Runaways* last year, the Repertory Theatre Group chose a more traditional, yet visually spectacular stage production for 1984-85: *Pippin*. A story about the idealistic mythical son of Charlemagne, the Holy Roman Emperor of the Middle Ages, and his search for magic and fulfillment in his life, *Pippin* was the result of nearly three months of work and review by the student Play-Reading Committee led by President John Bischoff.

Casting for *Pippin's* nearly 50 role and chorus parts was completed in late September. Full rehearsals began in January and culminated in a dress rehearsal viewing for local senior citizens and two well-received performances in March 1985. Once again as is custom for Rep Theatre, stage direction, choreography, sets, costumes, make-up, and even the pit band were the product of student-oriented efforts.

Beyond *Pippin*, it was a busy school year for Rep Theatre. Following another successful fundraiser on Back-To-School Night, the club won the "Best Float" competition in the Homecoming Parade for the second consecutive year. Plans commenced in December for an alumni celebration recognizing the 10th Anniversary of the founding of Repertory Theatre, tentatively scheduled for December of 1985. Constitutional revision, the first such in nearly 10 years, was accomplished in the Spring of 1985 with the incorporation of the Independent Theatre Group. And, as dictated by tradition, the annual Rep Theatre Picnic was held in the Watchung Reservation following the completion of Final Exams in June.

R.O.T.C.

The N.J. 821st Air Force Jr. ROTC is an organization designed to help high school students learn about aerospace science and to familiarize them with the opportunities available in the aerospace industry. The AF-JRROTC teaches the principles of leadership which include respect for one's self, one's community, one's flag, and one's country. In addition, students are taught about the Air Force, the Air Force community, its mission and the Air Force way of life.

The one hundred and eighteen cadets involved with the program have participated in events at the high school such as college night and back to school night. Their color guard performed a flag raising at Park Middle School as well as at SPF high school. The cadets were invited to and participated in the New Jersey Air Force Association Fall Ball at McGuire Air Force Base N.J. The color guard has also presented the colors at the 1984 opening ceremony of the Association of School Business Officials National Convention in Atlantic City. And last of all, each year in June, ten or fifteen cadets took part in the summer leadership school at Fort Dix, New Jersey.

Russian Study Group

Though the membership is small, the Russian Study Group is still spirited. Tiina Ruhlandt and Jennifer Choe, the only two students studying third year Russian, are continuing with their research in basic Russian by analyzing poetry and practicing reading and writing on an independent study basis. The two members meet after school with Mrs. Zmachinsky once a week. Although it is an after-school activity, students still earn one credit.

Science Club

The Science Club, under the leadership of Miss McDermott, started out as a homeroom for students interested in science. The Science Club gives out information to the school concerning science projects, scholarship programs, lectures, and science competitions. There are trips offered to students to industries such as Bell Labs.

Senior Talent Show

This year's senior talent show, held in November sparkled with the top acts of the class of '85. From the "Catman" to our famous "Shama Lama Ding Dongers," all the acts brought out the creativity of the seniors and their willingness to entertain audiences. Rounding out the show were the acts with Nicole Kaestner and her dancers and the hysterical air band. Also in the show were great twirlers our school helped to develop. When asking the performers how they felt about the competition, many replied "There was no real competition, just some good, clean fun."

S.G.A.

The Student Government Association provides leadership and activities for the students at SPFHS. Some of the activities which were held this year were Homecoming '84, Candy Cane day, Carnation Day, discount movie ticket sales, and the blood bank. The money went for the whole student body to hold any further activities that might provide a learning experience for the students. The SGA is also responsible for all elections and coordination of fundraisers. Meetings are held once a month in the multi-purpose room. The SGA promotes school spirit as well as student involvement.

SLC

From September 14 to 16, potential student leaders were able to learn what it takes to be in charge. Students were chosen to attend the conference by teachers and by previous student leadership disciples who felt that these up and coming leaders had the ability and concern to improve their school and community. At the conference held in Greenhill, New York, the students divided into groups and worked together to improve their town and school. Later, each group met individually throughout the year, and the conference met as a whole two times a year. The individual groups felt they had a great experience attending the conference and had learned much with the help of the Delphi team, and the group leaders who consisted of a teacher from the high school and an active town member.

Spanish National Honor Society

SPANISH NATIONAL HONOR SOCIETY

Twice a month students met to gain a broader insight about the culture and language of Spanish speaking countries. These Spanish National Honor Society meetings were led by advisor, and foreign language instructor, Mrs. Sollitto, president David Linn, treasurer Karen Yurchuck and secretary Kim Kleine. As a result of planning and hard work at the meetings the club's members worked on various fundraisers, took part in several cultural activities, and started a scholarship for a senior who was involved in the club. They also collected gifts for the needy.

Stage Crew

Working long hours and often on short notice, this service organization sees that the old phrase, "The show must go on," is carried out. Arriving at the auditorium at 2:30 and sometimes not leaving until very late at night, this group aims lights, builds sets, and does sound checks while, at the same time, trying to work quietly around the rehearsing performers on stage. Although the stage crew themselves are normally not seen during the show because they are hidden in the wings, the pit, or in 'the booth,' their work is seen and appreciated by the audience, as well as by the performers. Among the shows which the stage crew helped produce this year were the Battle of the Bands, the drama club production of '1984,' which was directed by the stage crew advisor Mr. Douglass Hooper, the Repertory Theatre production of 'Pippin,' directed by Mr. David Multer, as well as Modern Dance and the annual Miss Union County Pageant. This year's officers were President Mike Windeler, 1st Vice-President Ralph Anilo, and 2nd Vice-President Christine Tercheck.

S.P.-F.E.T.V.

Every school morning several students report to their homeroom in the media center earlier than most, collect announcements, distribute them amongst themselves and in a few more minutes are "on the air."

These are the students whose voices float through the school bringing the student body important news. This year's staff incorporated background music and sound tracks to help the students and teachers start their day.

The announcers tried out for their position in the fall and competed with other hopefuls by auditioning in front of cameras.

T.V. Crew

Much time and energy are put into working on the T.V. Crew. The club is designed to videotape wrestling, football games, Homecoming, and everything else needed to be taped. In the studio, they also tape art shows and class activities. Mr. John Wyatt, director, takes the students to tape events to get the experience using high technology equipment.

Sub-Junior Women's Club

This club, the high school branch of the Junior Women's Club of Scotch Plains, is a brand new club to our school. Thanks to the help of Karen McDermott, their new advisor, they can now meet at the high school to plan and hold activities. The Club meets once a month at the Scotch Plains Library. The Club's main activity this year was visiting the Children's Specialized Hospital in Mountainside during the holiday season.

The club's officers this year were President — Becky Surridge, Vice-President Stephanie Sullivan, Secretary — Dawn Lubrano, and Treasurer — Lee Tompkin.
